# T3 TactLite Shotgun Stock Safety Instructions

## Introduction

Thank you for choosing the T3 TactLite Shotgun Stock. This product is designed to enhance your shooting experience while ensuring safety and comfort. Please read this safety instruction guide carefully to understand how to use and maintain the product safely.

## General Safety Guidelines

- Ensure that you are familiar with the operation of your shotgun before using the T3 TactLite Shotgun Stock.
- Always treat firearms as if they are loaded.
- Keep the shotgun pointed in a safe direction at all times.
- Store your shotgun and accessories securely, out of reach of children and unauthorized users.
- Regularly inspect the T3 TactLite Shotgun Stock for any signs of wear or damage before each use.
- Follow all local laws and regulations regarding the use of firearms and accessories.

## Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when using your shotgun.
- Do not exceed the weight limit of the stock; it is designed for standard 12gauge shotguns.
- Be aware of the recoil generated by your shotgun and ensure you are in a stable shooting position.
- Avoid using the shotgun stock in extreme weather conditions that could affect its performance.
- Do not modify the T3 TactLite Shotgun Stock in any way, as this may compromise its safety features.

## Instructions for Installation and Usage

### Installation

1. **Preparation:** Ensure your shotgun is unloaded and pointed in a safe direction.
2. **Remove the Old Stock:** Use the appropriate tools to detach the existing stock from your shotgun.
3. **Attach the T3 TactLite Shotgun Stock:**
  - Align the stock with the buffer tube.
  - Slide the stock onto the buffer tube until it is fully seated.
  - Use the included mounting hardware to secure the stock in place.
4. **Check for Stability:** Ensure that the stock is securely attached and does not move.

### Usage

- **Adjusting the Stock:** The stock features a 6position adjustment system. To adjust:
  - Press the positive locking mechanism.
  - Slide the stock to the desired position.
  - Release the locking mechanism and ensure it is securely in place.
- **Using the Cheekrest:** Adjust the cheekrest by:
  - Loosening the adjustment screws.
  - Moving the cheekrest to the desired height.
  - Tightening the screws to secure the position.
- **Using the Recoil System:** The recoil system is designed to absorb energy. Ensure that the recoil pad is properly positioned against your shoulder for maximum comfort.

## Disposal Instructions

- Dispose of the T3 TactLite Shotgun Stock in accordance with local regulations.

- If the product is damaged beyond repair, ensure it is disposed of in a manner that prevents unauthorized use.

## **Contact Information for Further Support**

For any questions or concerns regarding the T3 TactLite Shotgun Stock, please refer to the manufacturer's contact information provided on the packaging or product documentation.

## **Conclusion**

Your safety and satisfaction are our top priorities. By following these guidelines, you can ensure a safe and enjoyable experience with your T3 TactLite Shotgun Stock. Thank you for your attention to these important safety instructions.
