

URBINO PISTOL GRIP STOCK FOR BERETTA 1301 - MESA TACTICAL PRODUCTS PISTOL GRIP STOCK BERETTA 1301 12GA STANDARD BLACK

[Shotgun Parts](#) > [Stock & Forend Parts](#) > [Buttstocks](#)

Mesa Tactical offers a shortened length of pull stock, known as the "Urbino" stock, for Benelli, Mossberg, an Remington and Beretta 1301 semi-automatic shotguns. The Urbino stock kit is very popular in law enforcement market due to the shorter length of pull, allowing the user to wear body armor or bulky clothing without extending their reach. The reduced length-of-pull (LoP) makes the Urbino the first truly tactical stock for the Beretta 1301 tactical shotgun. The Urbino Tactical stock, is a fixed-length pistol grip shotgun stock made from injection-molded glass-filled nylon. Developed to meet the needs of law enforcement and military operators, the rugged Urbino Tactical stock features a 12 1/2" inch LoP, soft urethane rubber grip. All hardware included, no gunsmithing necessary to install. FEATURES Injection-molded in glass-filled nylon, the stock features a 12 1/2" inch length of pull (LoP) Shock-absorbing rubber grip sleeve reduces shooter fatigue The standard buttpad contains a positive locking system that will hold the adjustments in place without slipping Includes Benelli-style rear sling loops for 1 1/4 inch sling webbing Includes a QD style sling swivel that fits in a hole in the lower rear of the stock

URBINO PISTOL GRIP STOCK FOR BERETTA 1301

SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the Urbino Pistol Grip Stock for your Beretta 1301 shotgun. This product has been designed with safety and performance in mind. Please read this safety instruction guide carefully to ensure safe and effective use of the stock.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure that the firearm is pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Store firearms and ammunition in a secure location, out of reach of children.
- Always wear appropriate eye and ear protection when shooting.
- Be aware of your surroundings and ensure a safe shooting environment.
- Regularly inspect the firearm and stock for any signs of wear or damage.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- The Urbino stock is designed for use with Beretta 1301 shotguns only. Do not attempt to use it with other firearms.
- Ensure that the stock is properly installed and secured before use. Refer to the installation instructions below.
- The stock features a shockabsorbing rubber grip sleeve. Ensure that it is in good condition to reduce shooter fatigue.
- The stock has a fixed length of pull (LoP) of 12 ½ inches. Ensure this length is suitable for your shooting style and body type.
- Avoid using the stock if it shows signs of damage or if any parts are missing.
- Do not modify the stock in any way, as this may compromise safety and performance.

Instructions for Installation and Usage

Installation Instructions

1. **Gather Necessary Tools:** You will need a basic set of tools including a screwdriver.
2. **Remove Existing Stock:**
 - Ensure the firearm is unloaded.
 - Remove the existing stock from the Beretta 1301 by unscrewing it from the receiver.
3. **Install the Urbino Stock:**
 - Align the Urbino stock with the receiver.
 - Secure the stock in place using the provided hardware. Ensure all screws are tightened properly.
4. **Check Stability:**
 - Once installed, check that the stock is securely attached and does not wobble.
5. **Final Inspection:**
 - Inspect the stock for any visible defects before use.

Usage Instructions

- **Holding the Shotgun:**
 - Grip the stock firmly with both hands while maintaining a proper shooting stance.
- **Adjusting the Sling:**

- Use the included Benellistyle rear sling loops for attaching a sling. Ensure the sling is properly adjusted for comfort and safety.
- **Shooting Practice:**
 - Begin with stationary targets to familiarize yourself with the stock's handling before moving to dynamic shooting scenarios.

Disposal Instructions

- When disposing of the Urbino stock, follow local regulations for the disposal of plastic and other materials.
- Do not burn or incinerate the stock, as this may release harmful chemicals.
- Consider recycling the stock if possible, or dispose of it in a designated waste facility.

Contact Information for Further Support

For any questions regarding the Urbino Pistol Grip Stock, please contact the manufacturer directly. Ensure you have the product details and any relevant information ready for assistance.

By following these safety instructions, you can ensure a safe and enjoyable experience with your Urbino Pistol Grip Stock for the Beretta 1301 shotgun. Always prioritize safety and responsibility when handling firearms.
