Brownells went straight to the source for quality pistol magazines, Meccanica del Sarca of Italy. Meccanica del Sarca has been producing OEM magazines for major firearms manufacturers since the late 1980s. Now, these quality magazines are available direct to you. Meccanica del Sarca stamps, welds and finishes the magazines in-house, and has strict quality controls for its heat treatment and surface finishing suppliers. These magazines feature a dark blued finish, that makes magazines changes smooth and fast. Polymer follower smoothly operates within the blued magazine body. Witness holes a the rear provide a quick assessment of remaining cartridges.

Safety Instruction Guide for BERETTA 92 MAGAZINE BLUED STEEL 18RD

Introduction

Thank you for choosing the BERETTA 92 MAGAZINE BLUED STEEL 18RD. This guide provides essential safety instructions and guidelines to ensure safe usage and maintenance of your magazine. Please read this document carefully before using the product.

General Safety Guidelines

- Ensure that the magazine is compatible with your firearm model (Beretta 92).
- Always handle firearms and magazines with care to prevent accidents.
- Store magazines in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the magazine for any signs of damage or wear.
- Use only the recommended ammunition (9 mm Luger).
- Follow all local laws and regulations regarding firearm and ammunition storage and usage.

Specific Safety Precautions for Use

- Always keep your firearm pointed in a safe direction when loading or unloading the magazine.
- Do not exceed the magazine's capacity (18 rounds) to prevent malfunctions.
- Avoid using damaged or altered magazines, as they may pose a safety risk.
- Do not expose the magazine to extreme temperatures or harsh chemicals.
- Ensure that the magazine is properly seated in the firearm before use.

Instructions for Installation and Usage

1. Loading the Magazine:

- Hold the magazine with the feed lips facing up.
- Start by inserting the first cartridge into the magazine, pressing it down until it clicks into place.
- Continue adding cartridges one at a time until the magazine is full (18 rounds maximum).

2. Inserting the Magazine into the Firearm:

- Ensure the firearm is pointed in a safe direction and the safety is engaged.
- Grasp the magazine firmly and align it with the magazine well of the firearm.
- Push the magazine firmly into the well until it clicks into place.

3. Removing the Magazine:

- Ensure the firearm is pointed in a safe direction and the safety is engaged.
- Press the magazine release button on the firearm.
- Grasp the magazine and pull it straight out of the magazine well.

4. Unloading the Magazine:

- Ensure the firearm is pointed in a safe direction.
- Remove the magazine from the firearm.
- Press down on the cartridges from the top while tilting the magazine to allow them to slide out.

Disposal Instructions

- Dispose of damaged or worn magazines in accordance with local regulations.
- Do not throw magazines in regular trash. Instead, contact your local waste management facility for proper disposal methods.
- Ensure that all ammunition is removed before disposing of the magazine.
