Brownells went straight to the source for quality pistol magazines, Meccanica del Sarca of Italy. Meccanica del Sarca has been producing OEM magazines for major firearms manufacturers since the late 1980s. Now, these quality magazines are available direct to you. Meccanica del Sarca stamps, welds and finishes the magazines in-house, and has strict quality controls for its heat treatment and surface finishing suppliers. These magazines feature a dark blued finish, that makes magazines changes smooth and fast. Polymer follower smoothly operates within the blued magazine body. Witness holes a the rear provide a quick assessment of remaining cartridges.

## Safety Instruction Guide

### Introduction

Thank you for choosing the SIG SAUER P226 MAGAZINE BLUED STEEL 15RD. This guide provides essential safety instructions to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using the product.

### General Safety Guidelines

- Always handle the magazine with care to prevent accidents.
- Keep the magazine out of reach of children and unauthorized users.
- Inspect the magazine for any signs of damage before use. Do not use if damaged.
- Follow all local laws and regulations regarding firearm accessories.
- Store the magazine in a secure location when not in use.
- Report any unsafe products or incidents to the relevant authorities.

### Specific Safety Precautions for Use

- Ensure the firearm is unloaded before inserting or removing the magazine.
- Do not exceed the magazine's capacity of 15 rounds.
- Avoid using the magazine in extreme temperatures or weather conditions.
- Do not modify the magazine in any way; alterations can affect safety and performance.
- Always wear appropriate eye and ear protection when handling firearms.

### Instructions for Installation and Usage

#### 1. Installation:

- Ensure the firearm is pointed in a safe direction and is unloaded.
- Align the magazine with the magazine well of the firearm.
- Insert the magazine until it clicks into place securely.

#### 2. Usage:

- Load the magazine with 9 mm Luger cartridges, ensuring they are seated properly.
- Check the witness holes at the rear of the magazine for a quick assessment of remaining cartridges.
- When ready to fire, ensure the firearm is in a safe and controlled environment.

#### 3. Removal:

- To remove the magazine, press the magazine release button on the firearm.
- Pull the magazine out of the magazine well while pointing the firearm in a safe direction.

### Disposal Instructions

- Dispose of the magazine in accordance with local regulations for metal recycling.
- Do not throw the magazine in regular household waste.
- Ensure that the magazine is empty before disposal.
