# Starline Brass (#2510) 32 S&W Long Brass Safety Instruction Guide

## Introduction

Thank you for choosing Starline Brass (#2510) 32 S&W Long Brass. This guide provides essential safety information to ensure the safe and effective use of this product. Please read this guide carefully before use.

## General Safety Guidelines

- **Product Safety:** This product is designed for safe use in small framed revolvers. Ensure that you understand the specifications and limitations of this cartridge.
- **Enhanced Recalls:** In the event of a recall, you will be notified through standardized notices. Always check for updates regarding product safety.
- **Online Shopping:** When purchasing online, ensure that the seller complies with safety regulations. Your protections are the same as when shopping in physical stores.
- **Special Consumer Focus:** Extra care should be taken when using this product around vulnerable groups, including children. Keep all ammunition out of reach of children.
- **EU Contact Point:** For safety inquiries, ensure you have access to an EUbased contact point for assistance.
- **Rapid Alerts:** Stay informed about any updates on unsafe products through the Safety Gate system.

## Specific Safety Precautions for Use

- **Compatibility:** This cartridge is safe to fire in .32 H&R revolvers but may not work with some wadcutter loads due to the length of the internal taper of the case.
- **Storage:** Store ammunition in a cool, dry place, away from direct sunlight and moisture. Ensure that it is kept out of reach of children and unauthorized individuals.
- **Inspection:** Before use, inspect the cartridges for any signs of damage or defects. Do not use damaged cartridges.
- **Handling:** Always handle ammunition with care. Avoid dropping or mishandling cartridges to prevent damage.
- **Use Proper Equipment:** Ensure that your revolver is in good working condition and appropriate for use with .32 S&W Long cartridges.
- **Follow Local Laws:** Be aware of and comply with all local laws regarding the purchase, storage, and use of ammunition.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that you are in a safe and controlled environment for firing.
- Wear appropriate safety gear, including eye and ear protection.

### 2. Loading the Revolver:

- Open the cylinder of your revolver.
- Insert the cartridges into the chambers, ensuring they are seated properly.
- Close the cylinder securely.

### 3. Firing:

- Point the revolver in a safe direction.

- Follow standard firearm safety practices.
- Pull the trigger to fire the cartridge.

#### 4. **PostFiring:**

- After firing, check the revolver for proper function.
- Inspect spent cartridges for any issues.

## **Disposal Instructions**

- **Unused Cartridges:** If you have any unused cartridges, dispose of them according to local regulations. Do not throw them in regular trash.
- **Spent Cartridges:** Store spent cartridges safely until you can dispose of them properly. Check local guidelines for recycling or disposal options.
- **Hazardous Waste:** If you suspect any cartridges are hazardous, treat them as hazardous waste and follow local disposal regulations.

## **Contact Information for Further Support**

For safety inquiries and support regarding this product, please refer to the manufacturer's contact details provided on the packaging or visit the official website of Starline, Inc.

Please ensure you follow these guidelines to maintain safety while using Starline Brass (#2510) 32 S&W Long Brass. Thank you for your attention to safety and responsible usage.
