

# COMPETITION REAR SIGHT BLADE KIT .110"

[Handgun Parts](#) > [Sights](#) > [Rear Sights](#)

## Provides A Sharp, Easy-To-Align Sight Picture

Flat blade gives a crisp, target-style sight picture that eliminates the distracting "double-notch" found on factory sights. .160" high blade (same as factory) features an angled and serrated rear face that reduces glare. Extends over the rear of the sight body for a cleaner look and gives a slight increase in sight radius. Available in two notch widths, .110" for target and PPC use, plus .125" for IPSC, IDPA and pin shooting. Deeper notch gives easier eye alignment.

## Attributes

- Name: [COMPETITION REAR SIGHT BLADE KIT .110"](#)
- Manufacturer: [BROWNELLS](#)
- Product no.: 078000012
- Mfr. No.:

# Safety Instruction Guide for Competition Rear Sight Blade Kit

## Introduction

Thank you for choosing the Competition Rear Sight Blade Kit. This guide provides essential safety instructions to ensure the safe and effective use of the product. Please read all instructions carefully before installation and use.

## General Safety Guidelines

- Always handle firearms with care and follow all safety protocols.
- Ensure the firearm is unloaded before installing or adjusting the rear sight blade.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the sight and firearm for any signs of wear or damage.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about recall updates through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use the sight blade only with compatible Smith & Wesson K, L, and N frame revolvers.
- Ensure the sight is securely installed before using the firearm.
- Avoid using the sight in extreme weather conditions that may impair visibility.
- Do not modify the sight blade or its components in any way.
- Be aware of your surroundings and ensure a safe shooting environment.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing rear sight blade from the firearm.
- Align the Competition Rear Sight Blade with the sight body.
- Secure the blade using the windage screw assembly included in the kit.
- Verify that the sight is properly aligned and securely fastened.

### 2. Usage:

- Familiarize yourself with the sight picture provided by the flat blade.
- Adjust your shooting stance and grip to accommodate the new sight.
- Practice using the sight in a controlled environment before engaging in live shooting.
- Regularly check the sight for stability and alignment during use.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling options available for aluminum components.

## Contact Information for Further Support

For any inquiries regarding safety or product information, please reach out to your local dealer or the

manufacturer. Ensure you have the product details ready for assistance.

By following these guidelines, you can help ensure your safety and the safety of others while using the Competition Rear Sight Blade Kit. Thank you for your attention to these important safety instructions.
