

COMPETITION REAR SIGHT BLADE KIT - BROWNELLS COMPETITION REAR SIGHT BLADE SET FOR S&W K/L/N FRAME, 0.125"

[Handgun Parts](#) > [Sights](#) > [Rear Sights](#)

Provides A Sharp, Easy-To-Align Sight Picture

Flat blade gives a crisp, target-style sight picture that eliminates the distracting "double-notch" found on factory sights. .160" high blade (same as factory) features an angled and serrated rear face that reduces glare. Extends over the rear of the sight body for a cleaner look and gives a slight increase in sight radius. Available in two notch widths, .110" for target and PPC use, plus .125" for IPSC, IDPA and pin shooting. Deeper notch gives easier eye alignment.

COMPETITION REAR SIGHT BLADE KIT SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the COMPETITION REAR SIGHT BLADE KIT from BROWNELLS. This product is designed to enhance your shooting experience by providing a crisp, targetstyle sight picture. It is essential to follow the safety guidelines and instructions outlined in this document to ensure safe usage and installation.

General Safety Guidelines

- Ensure that the product is suitable for your firearm model before installation.
- Always handle firearms with care and make sure they are unloaded when installing or adjusting sights.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the sight for any signs of wear or damage before use.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate eye protection when using firearms equipped with the COMPETITION REAR SIGHT BLADE KIT.
- Ensure that the sight is properly installed and secured before firing.
- Avoid using the firearm in conditions that may impair visibility or sight alignment.
- Be aware of your surroundings and ensure a safe shooting environment.
- If you experience any difficulty aligning the sight, stop using the firearm and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Installation Instructions

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Remove the existing rear sight from the firearm according to the manufacturer's instructions.
- Take the COMPETITION REAR SIGHT BLADE KIT and check that all components are present.
- Align the new sight with the sight body of the firearm.
- Secure the sight using the windage screw assembly provided in the kit.
- Doublecheck that the sight is firmly in place and properly aligned.

2. Usage Instructions

- After installation, practice aligning the sight with a target at a safe shooting range.
- Adjust your shooting technique as necessary to accommodate the new sight.
- Regularly check the sight for any loosening or misalignment before each use.

Disposal Instructions

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- If the product becomes damaged or is no longer usable, dispose of it in a manner that prevents accidental use.
- Recycle materials where possible to minimize environmental impact.

Contact Information for Further Support

For any questions or concerns regarding the COMPETITION REAR SIGHT BLADE KIT, please refer to the manufacturer's support resources. Always ensure that you have the latest information regarding product safety and usage.

By following these guidelines, you can safely enjoy the benefits of the COMPETITION REAR SIGHT BLADE KIT while ensuring your safety and the safety of others. Thank you for your attention to these important safety instructions.
