

# 500 HIGH CAPACITY SHOTGUN KIT W/RIFLE SIGHTS, 8 RDS - MOSSBERG 500 HIGH CAPACITY SHOTGUN KIT W/RIFLE SIGHTS 8RDS

[Shotgun Parts](#) > [Magazine Tube Parts](#) > [Magazine Tube Extensions](#)

## Converts Your Field Gun To A Tactical Workhorse

High quality, OEM components allow you to easily transform your Mossberg 500 into a reliable, high-capacity, self defense weapon. 20" long barrel chambered for 2¾" and 3" magnum 12 gauge loads features a fixed cylinder choke for maximum pattern coverage at combat ranges. White bead front with adjustable, U-notch rear sight helps provide rifle-like accuracy when shooting slugs at longer distances. Magazine extension threads solidly into the receiver to provide 8-rounds of firepower; knurled takedown screw retains the tube in the magazine support on the barrel to eliminate the need for a separate barrel clamp. Includes extended-length magazine spring for reliable feeding.

# Safety Instruction Guide for the 500 High Capacity Shotgun Kit with Rifle Sights

## Introduction

Thank you for choosing the 500 High Capacity Shotgun Kit with Rifle Sights. This guide provides essential safety instructions and information to ensure the safe and effective use of your shotgun kit. Please read this guide thoroughly before installation and usage.

## General Safety Guidelines

- Always treat your shotgun as if it is loaded.
- Store your shotgun in a secure location, out of reach of children and unauthorized users.
- Ensure that you are legally permitted to own and use a shotgun in your jurisdiction.
- Always wear appropriate safety gear, including eye and ear protection, when using your shotgun.
- Be aware of your surroundings and ensure a safe backdrop before firing.
- Never point your shotgun at anything you do not intend to shoot.
- Follow all local laws and regulations regarding the use of firearms.

## Specific Safety Precautions for Use

- Use only 2¾" and 3" magnum 12 gauge loads as specified for this shotgun kit.
- Ensure the magazine extension is securely attached before loading.
- Regularly inspect the shotgun for signs of wear or damage. Do not use if damaged.
- Avoid using the shotgun in wet or damp conditions to prevent rust and malfunction.
- Do not attempt to modify or alter the shotgun or its components.
- Keep your fingers off the trigger until you are ready to fire.
- Always ensure the shotgun is pointed in a safe direction when loading or unloading.

## Instructions for Installation and Usage

### Installation

1. **Unpack the Kit:** Carefully remove all components from the packaging.
2. **Check Components:** Ensure all parts are present and undamaged.
3. **Attach the Magazine Extension:**
  - Thread the magazine extension into the receiver securely.
  - Ensure it is properly aligned and tightened.
4. **Install the Magazine Spring:**
  - Insert the extendedlength magazine spring into the magazine tube.
  - Ensure it is seated properly to allow for reliable feeding.

### Usage

1. **Loading the Shotgun:**
  - Ensure the shotgun is pointed in a safe direction.
  - Open the action and insert the rounds into the magazine tube.
  - Close the action and ensure it is locked.
2. **Sighting:**
  - Use the white bead front and adjustable Unotch rear sight for accurate aiming.
  - Adjust the sights as necessary for optimal accuracy at longer distances.
3. **Firing:**
  - Ensure your stance is stable and your grip is secure.
  - Aim at your target and gently squeeze the trigger to fire.

- After firing, keep the shotgun pointed downrange and wait until it is safe to unload.

## **Disposal Instructions**

- Dispose of any damaged or nonfunctional components in accordance with local regulations.
- Do not dispose of shotgun shells in regular trash. Follow local hazardous waste disposal guidelines for ammunition.

## **Contact Information for Further Support**

For safety inquiries or further assistance, please contact the manufacturer or an authorized dealer. Always refer to local regulations and guidelines for responsible firearm use.

By adhering to these guidelines, you can ensure the safe and effective use of your 500 High Capacity Shotgun Kit with Rifle Sights. Thank you for prioritizing safety in your shooting activities.
