

# BRN-10® 308 AR RETRO SLIP RING - BROWNELLS BRN RETRO SLIP RING FOR BRN-308, MATTE BLACK

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

## An Extra Touch of Retro Authenticity To Your "Vintage" .308 AR

Our Brownells BRN-10 Retro Slip Ring replicates the contour of the slip rings used on early M16 rifles, so it'll add an extra touch of period authenticity to your next "retro" AR-style .308 build. Just combine the BRN-10 slip ring with a .308 barrel nut, handguard spring, and snap ring to add the correct handguard retention hardware to your barrel. The "flat" exterior of the Brownells BRN-10 Retro Slip Ring enables the use of non-free-float drop-in handguards on your .308 AR. Aluminum construction Flat exterior, no taper like modern delta rings Fits DPMS and Armalite® pattern rifles Barrel nut, handguard spring & snap ring available separately

# Safety Instruction Guide for BRN10® 308 AR Retro Slip Ring

## Introduction

Thank you for choosing the Brownells BRN10 Retro Slip Ring. This product is designed to enhance your ARstyle .308 build with authenticity. To ensure safe and effective use, please read this safety instruction guide carefully before installation and use.

## General Safety Guidelines

- Ensure that the product is used in accordance with all local laws and regulations.
- Always handle firearms and firearm accessories with care and responsibility.
- Inspect the product for any signs of damage before use.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Only use the BRN10 Retro Slip Ring with compatible .308 barrel nuts and handguard components.
- Ensure that all components are properly secured before using the firearm.
- Do not modify the slip ring or any associated components, as this may compromise safety.
- Wear appropriate safety gear, such as eye protection, when handling firearms.
- If you experience any issues during installation or use, cease operation immediately and consult a professional.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and components, including the BRN10 slip ring, .308 barrel nut, handguard spring, and snap ring.
- Ensure your workspace is clean and welllit.

### 2. Installation Steps:

- Remove the existing handguard and barrel nut from your firearm.
- Attach the .308 barrel nut securely to the receiver.
- Insert the handguard spring into the proper position.
- Align the BRN10 Retro Slip Ring with the barrel nut and ensure it fits snugly.
- Secure the slip ring with the snap ring to finalize the installation.

### 3. Usage Guidelines:

- Once installed, check that the handguard is properly secured and does not move.
- Regularly inspect the slip ring and related components for wear or damage.
- Follow all standard firearm safety practices when operating your firearm.

## Disposal Instructions

- Dispose of the product in accordance with local regulations for metal and plastic waste.
- Do not throw the product in regular household waste.

- Consider recycling options where available.

## **Contact Information for Further Support**

For any questions or concerns regarding the BRN10 Retro Slip Ring, please consult the retailer from whom you purchased the product or refer to the manufacturer's website for additional information and support resources.

By following these guidelines, you can ensure the safe and effective use of your Brownells BRN10 Retro Slip Ring. Thank you for prioritizing safety in your firearm practices.
