

MATCH GRADE BARRELS FOR GLOCK® 17 - BROWNELLS G17 BARREL THREADED GEN 1-4 9MM BLACK NITRIDE

[Handgun Parts](#) > [Barrel Parts](#) > [Barrels](#)

A Premium Barrel for Custom Builds or Upgrading a Factory Pistol

A Brownells Match-Grade Barrel for Glock® 17 is an excellent replacement for a shot-out factory barrel or for completing a custom pistol based on the Glock® platform. One of these barrels is the ideal tube for a gun built on a Polymer80 frame with a Brownells RMR Slide on top! Our Match-Grade Barrel for Glock® 17 is machined from hardened 416R stainless steel to precise dimensions for a tight lockup and long service life. Drop-in fit on most guns. The extra-hard Black Nitride finish resists surface wear and stops in its tracks whatever corrosion might try to challenge the stainless steel. This 9mm Luger (9x19mm) chambered barrel is button-rifled with standard, 1-10" right-hand, 6-groove rifling that is compatible with "practice" ammo with non-jacketed bullets. Fits Glock® 17 Gen1 thru Gen4 Button-rifled 1-10" twist 416R stainless steel Black Nitride anti-corrosion finish Threaded model has 1/2"-28 tpi threads Does not include Thread Protector The match-grade barrel for Glock 17 fits Gen1 thru Gen4 G17 pistols and is available with either a Plain muzzle or Threaded to enable installation of a compensator or sound suppressor. Both have an 11-degree target crown, and each is laser engraved with the chambering and the Glock model it fits.

Safety Instruction Guide for Brownells Match Grade Barrels for Glock® 17

Introduction

Thank you for choosing the Brownells Match Grade Barrel for your Glock® 17. This guide provides essential safety information, installation instructions, and general guidelines to ensure safe and effective use of the product. Please read this guide carefully before using the barrel.

General Safety Guidelines

- Product Safety:
 - Ensure the barrel is compatible with your Glock® model before installation.
 - Inspect the barrel for any visible damage before use.
- Enhanced Recalls:
 - Stay informed about any recalls or safety notices related to this product by checking the EU Safety Gate platform.
- Online Shopping:
 - When purchasing online, ensure that you are buying from a reputable seller that complies with EU safety regulations.
- Special Consumer Focus:
 - Keep this product out of reach of children and vulnerable individuals to prevent any accidents.
- EU Contact Point:
 - For any safety inquiries, please refer to the appropriate EU contact point.
- Rapid Alerts:
 - Monitor the EU Safety Gate system for updates on any unsafe products.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection, when handling firearms.
- Ensure your firearm is unloaded before installing or removing the barrel.
- Do not attempt to modify the barrel in any way, as this may compromise safety and performance.
- Use only compatible ammunition (9mm Luger) with the barrel.
- Always follow the manufacturer's guidelines for your Glock® 17 when using aftermarket parts.
- Regularly inspect the barrel for signs of wear or damage; replace if necessary.
- Avoid exposing the barrel to extreme temperatures or corrosive environments.

Instructions for Installation and Usage

1. Preparation:

- Ensure your Glock® 17 is completely unloaded.

- Gather necessary tools, including a punch tool and a torque wrench.

2. Installation Steps:

- Remove the slide from your Glock® 17.
- Use the punch tool to remove the factory barrel from the slide.
- Insert the Brownells Match Grade Barrel into the slide, ensuring it is properly seated.
- If using the threaded model, ensure the threads are clean and free of debris.
- Secure the barrel in place as per the manufacturer's guidelines.

3. Usage:

- Once the barrel is installed, reassemble the slide onto the frame of the Glock® 17.
- Conduct a function check to ensure proper operation.
- When firing, maintain a proper grip and stance to control recoil effectively.

4. PostUsage Care:

- Clean the barrel regularly to maintain performance and prevent corrosion.
- Store the firearm and barrel in a safe and dry environment.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the barrel in regular household waste.
- Contact local authorities for guidance on proper disposal methods for firearms components.

Contact Information for Further Support

For any questions or concerns regarding the Brownells Match Grade Barrel for Glock® 17, please refer to the appropriate contact points as outlined by the manufacturer or your retailer.

Thank you for your attention to these safety guidelines. Your safety and satisfaction are our top priorities. Enjoy your shooting experience with the Brownells Match Grade Barrel!
