

# MATCH GRADE BARRELS FOR GLOCK® 19 - BROWNELLS G19 BARREL THREADED GEN 1-5 9MM BLACK NITRIDE

[Handgun Parts](#) > [Barrel Parts](#) > [Barrels](#)

## A Barrel Upgrade that Fits Any "Gen" G19

Our Match-Grade Barrel for the Glock® 19 fits ALL generations of G19, Gen1 through Gen5. It's an excellent replacement for a shot-out factory barrel or for completing a pistol based on the G19 platform. And it's the ideal tube for a custom gun built on a Polymer80 frame with a Brownells RMR Slide on top! Each Brownells Match-Grade Barrel for Glock® 19 is machined from hardened 416R stainless steel to precise dimensions, so it's a drop-in fit on most guns. The tight lockup helps ensure superb accuracy, too. The extra-hard Black Nitride finish resists surface wear and stops in its tracks whatever corrosion might try to challenge the stainless steel. This 9mm Luger (9x19mm) chambered barrel is button-rifled with standard, 1-10" right-hand, 6-groove rifling that is compatible with "practice" ammo with non-jacketed bullets. Fits Glock® 19 Gen1 thru Gen5 Button-rifled 1-10" twist 416R stainless steel Non-reflective Black Nitride anti-corrosion finish Threaded model available with 1/2"-28 tpi threads Our match barrel for Glock® 19 is available with either a Plain muzzle with an 11-degree target crown or Threaded (1/2"-28 tpi) to enable installation of a compensator or sound suppressor. Both are laser-engraved with the chambering and the Glock model it fits.

## Attributes

# Safety Instruction Guide for Match Grade Barrels for Glock® 19

## Introduction

Thank you for choosing the Match Grade Barrel for your Glock® 19. This guide provides essential safety instructions to ensure the proper and safe use of your new product. Please read and follow these guidelines carefully to maximize safety and performance.

## General Safety Guidelines

- Ensure the barrel is installed by a qualified gunsmith or experienced individual.
- Always handle firearms with care and treat them as if they are loaded.
- Keep firearms out of reach of children and unauthorized users.
- Use only compatible ammunition with your Match Grade Barrel.
- Regularly inspect your firearm and barrel for signs of wear or damage.
- Follow all local laws and regulations regarding firearm use.

## Specific Safety Precautions for Use

- **Hazard Identification:** Improper use or installation of the barrel may lead to firearm malfunction or injury.
- **Avoid Overheating:** Do not fire continuously in rapid succession to prevent overheating and potential damage to the barrel.
- **Check for Obstructions:** Before firing, ensure the barrel is clear of any obstructions that may cause a blockage.
- **Wear Protective Gear:** Always wear appropriate eye and ear protection when handling firearms.
- **Use Proper Storage:** Store your firearm and barrel in a secure and dry location to prevent corrosion and damage.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure your Glock® 19 is unloaded and pointed in a safe direction.
- Remove the factory barrel from the slide.
- Carefully insert the Match Grade Barrel into the slide, ensuring it is properly aligned.
- If using the threaded model, ensure the threads are clean and free from debris before attaching any accessories.
- Reassemble the slide and ensure it functions correctly before use.

### 2. Usage:

- Load the firearm with compatible 9mm Luger ammunition.
- Always check the barrel before each use to ensure it is clear of obstructions.
- Fire the firearm in a controlled environment, following all safety protocols.

### 3. Maintenance:

- Clean the barrel regularly with appropriate cleaning supplies to maintain performance.
- Inspect for wear and damage after each use.

## **Disposal Instructions**

- Dispose of the barrel in accordance with local regulations for metal recycling.
- Do not dispose of the barrel in regular household waste.
- If the barrel is damaged or no longer usable, contact a qualified professional for proper disposal methods.

## **Contact Information for Further Support**

For safety inquiries or concerns regarding your Match Grade Barrel for Glock® 19, please reach out to the manufacturer or your retailer. Ensure that you have your product details on hand for quicker assistance.

By following these safety instructions, you can ensure a safe and enjoyable experience with your Match Grade Barrel for Glock® 19. Always prioritize safety and responsible firearm handling. Thank you for your attention to these guidelines.
