

MATCH GRADE BARRELS FOR GLOCK® 34 - BROWNELLS G34 BARREL GEN 1-4 9MM BLACK NITRIDE

[Handgun Parts](#) > [Barrel Parts](#) > [Barrels](#)

Match-Grade Tube Helps You Get the Most from Your Long-Slide Glock

Our Match-Grade Barrel for the Glock® 34 is compatible with ALL generations of Glock's target 9mm pistol, Gen1 through Gen4. These barrels are machined from hardened 416R stainless steel to precise dimensions for a tight lockup that helps ensure superb accuracy. Drop-in fit on most guns, too. An extra-hard Black Nitride finish resists surface wear and stops in its tracks whatever corrosion might try to challenge the stainless steel. This 9mm Luger (9x19mm) chambered barrel is button-rifled with standard, 1-10" right-hand, 6-groove rifling that is compatible with "practice" ammo with non-jacketed bullets. You can get a Brownells match-grade barrel for your Glock® 34 with either a Plain muzzle with an 11-degree target crown or Threaded (1/2"-28 tpi) to enable installation of a compensator or sound suppressor. Both are laser-engraved with the chambering and the Glock model they fit. Fits Glock® 34 Gen1 thru Gen4 Button-rifled, 6-grooves, 1-10" twist Hardened 416R stainless steel Non-reflective Black Nitride anti-corrosion finish Threaded model has 1/2"-28 tpi threads A Match-Grade Barrel for Glock® 34 from Brownells is an excellent replacement for a shot-out factory barrel or for building a pistol based on the G34 platform. And it's the ideal tube for a custom gun built on a Polymer80 frame with a Brownells RMR Slide on top!

Attributes

Consumer Safety Instruction Guide for MATCH GRADE BARRELS FOR GLOCK® 34

Introduction

Thank you for choosing the Match Grade Barrel for your Glock® 34. This guide provides essential safety instructions and information to ensure the safe use of your product in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure that the barrel is compatible with your specific Glock® 34 model (Gen1 through Gen4).
- Always handle firearms, including barrels, with care and follow basic firearm safety rules.
- Keep the barrel and all firearm components out of reach of children and unauthorized users.
- Regularly inspect the barrel for any signs of wear or damage before use.
- Report any unsafe product experiences to the appropriate authorities.

Specific Safety Precautions for Use

- Always use the barrel with approved 9mm Luger (9x19mm) ammunition.
- Avoid using nonjacketed bullets in the barrel to prevent potential damage.
- When installing or removing the barrel, ensure the firearm is unloaded and pointed in a safe direction.
- Do not modify the barrel or firearm without consulting a qualified gunsmith.
- Use appropriate eye and ear protection when firing your firearm.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is completely unloaded.
- Remove the factory barrel from the Glock® 34 by following the manufacturer's instructions.
- Insert the Match Grade Barrel into the slide, ensuring a tight fit.
- If using the threaded model, ensure that the threads are clean and free of debris.
- Securely fasten any compensator or sound suppressor if applicable.

2. Usage:

- Confirm that the barrel is properly installed before loading the firearm.
- Always check the chamber to ensure it is clear before firing.
- Follow all local laws and regulations regarding the use of firearms and accessories.
- Clean the barrel regularly to maintain performance and prevent corrosion.

Disposal Instructions

- Dispose of the barrel in accordance with local regulations for metal recycling.
- Ensure that any hazardous materials are handled properly, and do not dispose of the barrel in regular household waste.
- If the barrel is damaged beyond repair, contact a qualified professional for safe disposal options.

Contact Information for Further Support

For any safety inquiries or concerns regarding the Match Grade Barrel for Glock® 34, please refer to the

manufacturer's contact information provided with your product packaging or on their official website.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities. Enjoy your enhanced shooting experience with the Match Grade Barrel for Glock® 34.
