## **Helps You Achieve the Full Potential of Your Big Bore Glock?**

Our Match-Grade Barrel for the Glock® 21 is a premium barrel machined from hardened 416R stainless steel to precise dimensions, so it delivers a tight lockup that helps ensure superb accuracy. It's a drop-in fit to most guns, too. And the extra-hard Black Nitride finish resists surface wear and stops in its tracks whatever corrosion might try to challenge the stainless steel. This .45 ACP chambered barrel is button-rifled with standard, 1-10" right-hand, 6-groove rifling that is compatible with the non-jacketed bullets of inexpensive "practice" ammo. You can get your match barrel for Glock® 21 with either a Plain muzzle or Threaded (.578"-28 tpi) to enable installation of a compensator or sound suppressor. Both have an 11-degree target crown, and each is laser engraved with the chambering and the Glock® model it fits. Fits Glock® 21 Hardened 416R stainless steel Non-reflective Black Nitride anti-corrosion finish Chambered in .45 ACP Button-rifled, 6-grooves, 1-10" twist Available with .578"-28 tpi threaded muzzle A Match-Grade Barrel for your Glock® 21 from Brownells is an excellent replacement for a shot-out factory barrel, and it's the ideal tube for a custom gun built on a Polymer80 PF45 frame!

# Safety Instruction Guide for MATCH GRADE BARRELS FOR GLOCK® 21

## Introduction

Thank you for choosing the MatchGrade Barrel for your Glock® 21 from Brownells. This guide provides essential safety information and instructions for the proper use and maintenance of your barrel. It is crucial to follow these guidelines to ensure safe operation and optimal performance.

## General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store your firearm and ammunition in a secure place, out of reach of children.
- Ensure that you are familiar with the laws and regulations governing firearm ownership and use in your area.
- Inspect the barrel for any signs of damage or wear before installation and use.
- Only use ammunition that is specified for your barrel (.45 ACP).
- Do not modify or alter the barrel in any way that could compromise its safety or performance.
- Always wear appropriate eye and hearing protection while shooting.

## Specific Safety Precautions for Use

- Ensure that the barrel is compatible with your Glock® 21 model before installation.
- Avoid using reloaded or handloaded ammunition unless you are certain of their quality and safety.
- Do not exceed the recommended load specifications for your ammunition.
- Be aware of the potential for increased recoil when using certain types of ammunition.
- Regularly clean and maintain your barrel to prevent corrosion and ensure proper function.
- If you experience any malfunctions or unusual behavior from your firearm, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Installation

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Remove the existing barrel from your Glock® 21 according to the manufacturer's instructions.
- Carefully insert the new MatchGrade Barrel into the slide, ensuring a snug fit.
- Reassemble the firearm, making sure all components are securely in place.
- Perform a function check to ensure proper operation before use.

### 2. Usage

- Load the firearm with the appropriate .45 ACP ammunition.
- Aim at a safe target area and ensure that the area is clear of bystanders.
- Fire the firearm following all safe shooting practices.
- After firing, clean the barrel and firearm to maintain performance and prevent corrosion.

## Disposal Instructions

- Dispose of any damaged or worn barrels in accordance with local regulations.
- Do not dispose of the barrel in regular household waste.
- Contact your local waste management facility for guidance on proper disposal methods for firearms

components.

## **Contact Information for Further Support**

For any safety inquiries or additional support regarding your MatchGrade Barrel for Glock® 21, please refer to the manufacturer's contact information provided with your product.

## **Conclusion**

Following these safety instructions will help ensure a safe and enjoyable shooting experience with your MatchGrade Barrel for Glock® 21. Always prioritize safety and be aware of your surroundings while handling firearms. Thank you for your attention to these important guidelines.
