Safety Instruction Guide for EXTRACTOR W/LOADE CHAMBER INDICATOR FOR GLOCK® 43/43X/48

Introduction

Thank you for choosing the EXTRACTOR W/LOADE CHAMBER INDICATOR FOR GLOCK® 43/43X/48 by BROWNELLS. This guide provides essential safety information and instructions for the safe use, installation, and disposal of your extractor. Please read this guide carefully to ensure safe handling and operation.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle firearms and firearm components with care and respect.
- Keep the extractor and all firearm components out of reach of children and unauthorized users.
- Regularly inspect the extractor for any signs of wear or damage before use.
- Follow all local laws and regulations regarding the use and storage of firearms and firearm components.
- In case of any doubt about the safety of the product, consult a qualified gunsmith or firearm expert.

Specific Safety Precautions for Use

- Always treat every firearm as if it is loaded.
- Before installation, ensure the firearm is unloaded and the magazine is removed.
- Use eye protection when handling or working with firearms.
- Be aware of your surroundings and ensure that you are in a safe environment when using the firearm.
- Avoid using the extractor if it shows any signs of damage or if it has been modified.
- If you experience any malfunctions while using the extractor, stop using it immediately and seek professional assistance.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is completely unloaded.
- Remove the slide from the Glock® 43, 43X, or 48 by following the manufacturer's instructions.
- Carefully remove the old extractor if applicable, taking care not to damage any surrounding components.
- Install the new extractor by aligning it properly with the slide and securing it as per the manufacturer's specifications.
- Reassemble the firearm according to the manufacturer's instructions.

2. Usage:

- After installation, conduct a function check to ensure the extractor is operating correctly.
- Load the firearm only when you are ready to use it.
- Always verify that the loaded chamber indicator is functioning properly before firing.
- Follow all standard operating procedures for your firearm to ensure safe handling during use.

Disposal Instructions

- Dispose of the extractor and any associated components in accordance with local regulations.
- Do not dispose of firearm components in regular household waste.

- Check with local authorities or waste management facilities for proper disposal methods for firearm parts.

Contact Information for Further Support

For any inquiries regarding safety, usage, or installation of the EXTRACTOR W/LOADE CHAMBER INDICATOR FOR GLOCK® 43/43X/48, please refer to the manufacturer's official contact points or website for assistance.

Conclusion

By following these safety instructions, you can ensure the safe and effective use of your EXTRACTOR W/LOADE CHAMBER INDICATOR FOR GLOCK® 43/43X/48. Always prioritize safety and remain informed about best practices in firearm handling. Thank you for your attention to these important guidelines.
