HANDGUARD RETAINING SCREW FOR HK RIFLES

SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the HANDGUARD RETAINING SCREW FOR HK RIFLES from BROWNELLS. This aftermarket replacement part is designed for use with Heckler & Koch 416 and MR556 rifles. To ensure safe and effective use of this product, please carefully read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Ensure that the HANDGUARD RETAINING SCREW is compatible with your specific rifle model (HK416 or MR556) before installation.
- Always handle the retaining screw with care to avoid injury.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the retaining screw for any signs of wear or damage.
- In case of any malfunction or if you suspect the product is unsafe, cease use immediately and consult a qualified gunsmith.

Specific Safety Precautions for Use

- Always wear appropriate protective gear, such as safety glasses and gloves, when handling firearms and their components.
- Ensure that the firearm is unloaded before attempting to install or replace the retaining screw.
- Do not attempt to modify or alter the retaining screw in any way.
- Follow all local laws and regulations regarding firearm modifications and accessories.
- Be aware of your surroundings and ensure that you are in a safe environment when using firearms.

Instructions for Installation and Usage

1. Preparation:

- Ensure that your rifle is unloaded and pointed in a safe direction.
- Gather necessary tools, including a screwdriver suitable for the retaining screw.

2. Installation:

- Locate the handguard on your HK416 or MR556 rifle.
- Carefully remove the existing retaining screw using the appropriate screwdriver.
- Align the new HANDGUARD RETAINING SCREW with the screw hole.
- Insert the retaining screw and tighten it securely, ensuring it is not overtightened to avoid damage.

3. PostInstallation Check:

- After installation, check that the handguard is securely attached and does not move when pressure is applied.
- Perform a function check of the rifle to ensure that all components are working correctly.

4. Usage:

- Use the rifle in accordance with the manufacturer's instructions and safety guidelines.
- Regularly inspect the retaining screw and handguard during routine maintenance.

Disposal Instructions

- Dispose of any old or damaged retaining screws in accordance with local regulations.
- Do not dispose of the product in household waste. Instead, take it to a designated recycling facility that accepts metal components.

Contact Information for Further Support

For any questions or concerns regarding the HANDGUARD RETAINING SCREW or its installation, please consult a qualified gunsmith or contact the manufacturer directly for assistance.

By following these safety instructions, you can ensure the safe and effective use of your HANDGUARD RETAINING SCREW FOR HK RIFLES. Thank you for your attention to these important guidelines.
