[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Gunsmithing Tool Kits](#)

## Complete, Dedicated Kits For Field Repair & Maintenance Of Tactical Weapons

This compact, model-specific field maintenance pack is designed for servicing combat weapons and, provide the soldier or law enforcement personnel with all the tools required to field strip, repair, and maintain weapons while on the move. Not a run-of-the-mill cleaning kit, but carefully selected, high-quality field armorer tools dedicated to working on specific weapon types, so there is no confusion and no down time spent scrounging through a large field case of loose odds and ends. Individual pouches and compartments inside the water- and abrasion-resistant, denier Cordura case keep tools secure and separated to help minimize noise that could jeopardize your mission. Quiet, #9 YKK zippers with oversize pulls make it fast and easy to get tools in and out. Front panel features clear, I.D. card sleeve and loop strip for name tape. Includes two, nylon grab handles for easy carry. Made in the U.S.A. Field Pack Case also available separately. All the tools you need for complete field stripping of your Beretta service pistol for maintenance, cleaning, and parts replacement. Includes roll pin punches, grip bushing driver bit, grip bushing staker, trigger return spring tool, and magazine lip gauge all specific to the 92/M9 plus, India and Arkansas stones for smoothing hammer and sear engagement surfaces.

# BERETTA 92/M9 MAINTENANCE FIELD PACK Safety Instruction Guide

## Introduction

Thank you for choosing the Beretta 92/M9 Maintenance Field Pack. This guide provides essential safety instructions to ensure the safe and effective use of the product. Please read through this guide carefully before using the field maintenance pack.

## General Safety Guidelines

- Ensure that you are familiar with the operation of all tools included in the maintenance pack before use.
- Always inspect tools for damage or wear before use. Do not use damaged tools.
- Keep the field pack and its contents out of reach of children and unauthorized personnel.
- Use the tools only for their intended purpose as specified in this guide.
- Always wear appropriate personal protective equipment (PPE) such as gloves and safety glasses when using tools.
- Be aware of your surroundings to avoid accidents or injuries while using the tools.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Use caution when handling sharp tools such as the scribe and punches. Always cut away from your body.
- When using the ball peen hammer, ensure that your hands are clear of the striking area.
- The magazine lip gauge and other measuring tools should be used with care to avoid injury.
- Avoid using excessive force when operating tools to prevent breakage and injury.
- If you are unfamiliar with any tool, refer to the instructions or seek assistance before use.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that you have sufficient space to work safely.
- Gather all necessary tools from the field pack.

### 2. Field Stripping:

- Follow the manufacturer's instructions for field stripping the Beretta 92/M9 service pistol.
- Use the roll pin punches to remove pins carefully, ensuring you do not damage the firearm.

### 3. Maintenance:

- Clean all parts thoroughly using appropriate cleaning solutions and tools from the pack.
- Use the India and Arkansas stones for smoothing hammer and sear engagement surfaces.

### 4. Reassembly:

- Carefully reassemble the firearm following the manufacturer's instructions.
- Ensure that all components are secured and functioning properly before use.

### 5. Storage:

- After use, clean all tools and store them in their designated compartments in the field pack.
- Ensure that the field pack is closed and secured to prevent tools from falling out.

## **Disposal Instructions**

- Dispose of any damaged or worn tools in accordance with local regulations.
- Do not dispose of tools in regular household waste. Check for local recycling programs or hazardous waste disposal options.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the Beretta 92/M9 Maintenance Field Pack, please reach out to the designated EU contact point for safety inquiries.

Thank you for your attention to these safety instructions. Your safety and the effective use of your maintenance pack are our top priorities.
