Safety Instruction Guide for 870/1100 Magazine Spring Retainer Tool

Introduction

Thank you for choosing the 870/1100 Magazine Spring Retainer Tool by Remington. This tool is designed to assist in the safe handling and installation of magazine springs for Remington 870 and Pre'87 1100 models. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always use the tool as intended and according to the instructions provided.
- Keep the tool out of reach of children and vulnerable individuals.
- Regularly inspect the tool for any signs of damage or wear before use.
- If the tool is damaged, discontinue use immediately and replace it.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about any recall updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded and pointed in a safe direction before using the tool.
- Use protective eyewear to prevent injury from potential spring release.
- Avoid placing fingers or any body parts near the spring when using the tool.
- Do not use the tool with damaged or excessively heavy springs.
- Follow all local laws and regulations regarding firearm maintenance and safety.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is completely unloaded.
- Gather the necessary tools and ensure a clean working area.

2. Using the Tool:

- Insert the magazine spring into the retainer sleeve of the tool.
- The internal taper on the sleeve will guide the spring into position.
- Ensure the spring is seated properly before releasing the tool.

3. PostInstallation:

- After installation, doublecheck that the spring is secure and functioning properly.
- Store the tool in a safe location when not in use.

Disposal Instructions

- Dispose of the tool responsibly at a designated waste disposal facility.
- Do not dispose of the tool in regular household waste.
- Follow local regulations for the disposal of plastic and metal items.

Contact Information for Further Support

For any inquiries or concerns regarding the use of this tool, please refer to the manufacturer's contact information provided on the packaging or product documentation.
