

# GUNSMITH REPLACEABLE PIN PUNCH SET WITH 2 PINS - REPLACEMENT PIN PUNCH SET OF 3, W/2" PINS

[Gunsmith Tools & Supplies](#) > [General Gunsmith Tools](#) > [Punches](#)

Finally! What we think is the answer to the pin punch headache that has plagued us - and every other gunsmith who has ever knocked out a gun pin, had the punch break or bend, and been out of business until a new one could be made or ordered. Now - Just Replace The Tip! Handles, with removable knurled-chuck to hold punch, are made of powerful, fatigueproof C.R.S. Steel - Tensile strength of over 140,000 psi (Min.). Replaceable Punch - the secret of the tool. These are special, tool steel, bevel-headed punches designed for the tool, die and mold manufacturers as perforators, punches, ejectors and core pins. Oil hardened to Rc 58-60. Heads are annealed to Rc 42-45. They come in two lengths and can be ground down to exact length required - custom punches with minimum investment.

# GUNSMITH REPLACEABLE PIN PUNCH SET SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the GUNSMITH Replaceable Pin Punch Set. This product has been designed to provide a reliable solution for gunsmithing tasks involving pin removal. To ensure your safety and the effective use of this tool, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Ensure you are familiar with the tool before use. Read all instructions and guidelines provided.
- Always wear appropriate personal protective equipment (PPE), including safety goggles and gloves, when using this tool.
- Keep the work area clean and well-lit to avoid accidents.
- Ensure that the tool is used only for its intended purpose.
- Store the tool in a safe and dry place when not in use.
- Regularly inspect the tool for any signs of wear or damage. Do not use if damaged.
- Follow all local regulations and guidelines regarding the use of tools and firearms.

## Specific Safety Precautions for Use

- Be aware of your surroundings. Ensure no one is in the immediate area when using the tool.
- Use the tool on a stable surface to prevent slipping or movement during use.
- Do not attempt to modify the tool in any way. Modifications can compromise safety and performance.
- Always use the correct size punch for the pin you are working with to avoid breakage or injury.
- Avoid applying excessive force when using the tool. If resistance is encountered, stop and assess the situation.
- Do not use the punch set on live ammunition or in the presence of firearms unless you are a trained professional.
- Keep fingers and hands clear of the punch path to prevent injury.

## Instructions for Installation and Usage

### 1. Select the Appropriate Punch:

- Choose the correct size punch for the pin you need to remove.

### 2. Prepare the Tool:

- Ensure the punch is securely placed in the knurled chuck of the handle.

### 3. Position the Punch:

- Align the punch with the pin to be removed, ensuring it is perpendicular to the surface.

### 4. Strike the Punch:

- Using a suitable hammer, strike the end of the punch firmly but gently to avoid damaging the tool or the workpiece.
- Repeat as necessary until the pin is dislodged.

### 5. Replace the Punch Tip:

- If the punch tip is worn or damaged, remove it from the handle and replace it with a new one as needed.

#### **6. Clean the Tool:**

- After use, clean the punch set to remove any debris or residue to maintain its effectiveness and longevity.

## **Disposal Instructions**

- Dispose of any damaged or wornout punch tips in accordance with local regulations.
- Recycle the metal components of the punch set where facilities are available.
- Do not dispose of the tool in regular household waste.

## **Contact Information for Further Support**

For any inquiries regarding the GUNSMITH Replaceable Pin Punch Set, please contact the manufacturer directly. Ensure you have the product information available for reference when seeking support.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities. Enjoy using your GUNSMITH Replaceable Pin Punch Set responsibly!
