

90° MUZZLE FACING CUTTER & STEEL PILOT - BROWNELLS 90° CUTTER & STEEL PILOT FITS .20 MUZZLE

[Gunsmith Tools](#) > [Barrel Tools](#) > [Barrel Chamfering Tool Kits](#)

Face Off & Square Up Rifle & Handgun Muzzles

Hardened steel, 90° facing cutter squares a muzzle after shortening; or use to repair dings and damage. Includes a handle and one pilot, all in a polypropylene box. Interchangeable pilot keeps cutter properly aligned. Purchase extra pilots to use one cutter for many different calibers. Pilots for other calibers available separately.

Select one of the following for other rifle/handgun muzzles, cylinder facing & chamfering tools.

Safety Instruction Guide for 90° Muzzle Facing Cutter & Steel Pilot

Introduction

Thank you for purchasing the 90° Muzzle Facing Cutter & Steel Pilot from Brownells. This product is designed to assist in squaring a muzzle after shortening and repairing dings and damage. To ensure safe and effective use of this product, please read and follow all safety instructions and guidelines provided in this manual.

General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using the cutter.
- Keep the cutter and pilot out of reach of children and pets.
- Inspect the cutter and pilot for any signs of damage before each use. Do not use if damaged.
- Follow all local regulations regarding the use of firearms and related tools.
- If you experience any issues or accidents while using this product, report them to the appropriate authorities.

Specific Safety Precautions for Use

- **Hardened Steel Caution:** The cutter and pilot are made of hardened steel. Handle with care to avoid cuts or injuries.
- **Sharp Edges:** The cutting edges are sharp. Always direct the cutter away from your body and work area.
- **Stable Work Surface:** Ensure you are using the cutter on a stable surface to prevent slips and accidents.
- **Proper Alignment:** Use the interchangeable pilot to keep the cutter properly aligned during use. Misalignment can lead to accidents or ineffective cutting.
- **Avoid Distractions:** Do not use the cutter while distracted or under the influence of substances that impair judgment.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and materials.
- Ensure you have a clean, stable work area.

2. Installing the Pilot:

- Select the appropriate pilot for your caliber.
- Insert the pilot into the cutter until it is securely in place.

3. Using the Cutter:

- Position the muzzle against the cutter, ensuring it is aligned properly.
- Apply gentle, steady pressure to the handle while rotating the cutter.
- Maintain control of the cutter throughout the process to ensure a clean cut.

4. PostUse Care:

- After use, clean the cutter and pilot to remove any debris.
- Store the cutter and pilot in the provided polypropylene box to protect them from damage.

Disposal Instructions

- Dispose of any damaged or wornout parts in accordance with local regulations.
- Do not throw the cutter or pilot in regular household waste; check for local recycling options for metal products.

Contact Information for Further Support

For questions or concerns regarding the use or safety of this product, please contact the manufacturer or your local distributor. Ensure you have your product information ready for reference.

By following these safety instructions, you can ensure a safe and effective experience with your 90° Muzzle Facing Cutter & Steel Pilot. Thank you for your attention to safety!
