

90° MUZZLE FACING CUTTER & STEEL PILOT - BROWNELLS 90° CUTTER & STEEL PILOT FITS .35 MUZZLE

[Gunsmith Tools](#) > [Barrel Tools](#) > [Barrel Chamfering Tool Kits](#)

Face Off & Square Up Rifle & Handgun Muzzles

Hardened steel, 90° facing cutter squares a muzzle after shortening; or use to repair dings and damage. Includes a handle and one pilot, all in a polypropylene box. Interchangeable pilot keeps cutter properly aligned. Purchase extra pilots to use one cutter for many different calibers. Pilots for other calibers available separately.

Select one of the following for other rifle/handgun muzzles, cylinder facing & chamfering tools.

Safety Instruction Guide for 90° Muzzle Facing Cutter & Steel Pilot

Introduction

Thank you for choosing the 90° Muzzle Facing Cutter & Steel Pilot by Brownells. This tool is designed to help you square a muzzle after shortening or to repair dings and damage effectively. To ensure your safety and the proper functioning of the product, please read this guide carefully before use.

General Safety Guidelines

- Always follow the manufacturer's instructions for safe use.
- Ensure that the product is used only by individuals who are familiar with its operation.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product for any damage before use. Do not use if damaged.
- Store the product in a safe and dry place, preferably in the provided polypropylene box.
- Use the product only for its intended purpose as described in this guide.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using the cutter.
- Ensure the work area is clean and free from clutter to avoid accidents.
- Use the cutter on a stable surface to prevent slipping.
- Keep hands and other body parts away from the cutting area during use.
- Avoid using excessive force when operating the cutter; let the tool do the work.
- If you feel uncomfortable or unsure about using the tool, seek assistance from a knowledgeable individual.

Instructions for Installation and Usage

1. Preparation:

- Unpack the cutter and pilot from the polypropylene box.
- Ensure you have a suitable work surface and necessary PPE.

2. Selecting the Pilot:

- Choose the appropriate pilot for the caliber you are working with. Additional pilots are available for purchase separately.

3. Attaching the Pilot:

- Insert the selected pilot into the cutter's designated area, ensuring it is securely in place.

4. Using the Cutter:

- Position the muzzle securely against the cutter.
- With a firm grip on the handle, apply gentle, even pressure to cut or square the muzzle.
- Avoid forcing the cutter; allow it to do its job at a steady pace.

5. PostUse:

- After use, clean the cutter and pilot to remove any debris.

- Store the tool in the provided polypropylene box to protect it from damage.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling options where available to minimize environmental impact.

Contact Information for Further Support

For safety inquiries or further assistance regarding the 90° Muzzle Facing Cutter & Steel Pilot, please refer to the manufacturer's customer support resources.

By following these guidelines, you can ensure a safe and effective experience with your 90° Muzzle Facing Cutter & Steel Pilot. Thank you for prioritizing safety!
