

## **90° MUZZLE FACING CUTTER & STEEL PILOT - BROWNELLS 90° CUTTER & STEEL PILOT FITS .480 RUGER MUZZLE**

[Gunsmith Tools](#) > [Barrel Tools](#) > [Barrel Chamfering Tool Kits](#)

### **Face Off & Square Up Rifle & Handgun Muzzles**

Hardened steel, 90° facing cutter squares a muzzle after shortening; or use to repair dings and damage. Includes a handle and one pilot, all in a polypropylene box. Interchangeable pilot keeps cutter properly aligned. Purchase extra pilots to use one cutter for many different calibers. Pilots for other calibers available separately.

Select one of the following for other rifle/handgun muzzles, cylinder facing & chamfering tools.

# Safety Instruction Guide for 90° Muzzle Facing Cutter & Steel Pilot

## Introduction

Thank you for purchasing the 90° Muzzle Facing Cutter & Steel Pilot by Brownells. This product is designed for safely and effectively squaring a muzzle after shortening or repairing dings and damage. To ensure your safety and the longevity of the product, please read this safety instruction guide carefully before use.

## General Safety Guidelines

- Always use the product in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the cutter and pilot for any signs of damage before each use.
- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves during use.
- Ensure that your work area is clean, welllit, and free from hazards.
- Do not use the cutter for purposes other than intended.
- Report any unsafe product conditions or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - The cutter has sharp edges that can cause cuts or injuries.
  - The product may produce metal shavings that can be hazardous if inhaled or come into contact with skin.
- **Avoiding Hazards:**
  - Always handle the cutter and pilot with care.
  - Use a stable work surface to prevent slips or accidents.
  - Do not operate the cutter while fatigued or under the influence of drugs or alcohol.
- **AgeRelated Warnings:**
  - This product is not intended for use by individuals under the age of 18 without adult supervision.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and materials before beginning.
- Ensure that the work area is clean and organized.

### 2. Installation:

- Insert the pilot into the cutter, ensuring it is properly aligned and secured.
- If using a different caliber pilot, ensure it is compatible with the cutter.

### 3. Usage:

- Position the cutter at a 90° angle to the muzzle.
- Apply even pressure while rotating the cutter to achieve a square cut.

- Periodically check the alignment and condition of the cutter and pilot during use.

#### **4. PostUsage:**

- Clean the cutter and pilot after use to remove any metal shavings or debris.
- Store the product in the provided polypropylene box to protect it from damage.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of the cutter or pilot in regular household waste if they are damaged or broken.
- Check with local waste management authorities for proper disposal methods for metal products.

## **Contact Information for Further Support**

For any inquiries regarding the product, including safety concerns or warranty information, please refer to the contact information provided in the product packaging or on the manufacturer's website.

By following these safety instructions, you can ensure a safer and more effective experience with your 90° Muzzle Facing Cutter & Steel Pilot. Thank you for prioritizing safety and responsible usage.
