

## **90° MUZZLE FACING CUTTER & STEEL PILOT - BROWNELLS 90° CUTTER & STEEL PILOT FITS 7MM MUZZLE**

[Gunsmith Tools](#) > [Barrel Tools](#) > [Barrel Chamfering Tool Kits](#)

### **Face Off & Square Up Rifle & Handgun Muzzles**

Hardened steel, 90° facing cutter squares a muzzle after shortening; or use to repair dings and damage. Includes a handle and one pilot, all in a polypropylene box. Interchangeable pilot keeps cutter properly aligned. Purchase extra pilots to use one cutter for many different calibers. Pilots for other calibers available separately.

Select one of the following for other rifle/handgun muzzles, cylinder facing & chamfering tools.

# Safety Instruction Guide for 90° Muzzle Facing Cutter & Steel Pilot

## Introduction

Thank you for choosing the 90° Muzzle Facing Cutter & Steel Pilot by Brownells. This tool is designed for safely and effectively squaring a muzzle after shortening or repairing damages. Please read this safety instruction guide carefully to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always read and understand the user manual before using the product.
- Ensure the working area is clean, welllit, and free from distractions.
- Use the product only for its intended purpose as described in the manual.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the tool for any signs of wear or damage before use.
- Report any unsafe products or accidents to the relevant authorities.
- Stay updated on recall information via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE), including safety goggles and gloves.
- Do not use the cutter on materials other than those specified in the manual.
- Ensure the cutter and pilot are securely attached before use.
- Avoid placing fingers or hands near the cutting area while in operation.
- Do not exceed the recommended diameter or length specifications.
- If the tool becomes damaged or malfunctions, cease use immediately and consult the manufacturer.

## Instructions for Installation and Usage

### 1. Installation of the Pilot:

- Select the appropriate pilot for the caliber you are working with.
- Insert the pilot into the cutter until it is securely locked in place.

### 2. Using the Cutter:

- Position the muzzle securely in a vise or on a stable surface.
- Align the cutter with the muzzle, ensuring it is perpendicular to the surface.
- Apply steady pressure while rotating the cutter to achieve a square finish.
- Avoid excessive force, which may damage the cutter or the material.

### 3. PostUse Care:

- Clean the cutter and pilot after each use to remove debris and prevent rust.
- Store the cutter and pilot in the provided polypropylene box to protect them from damage.

## Disposal Instructions

- Dispose of the product in accordance with local regulations regarding metal and plastic waste.
- Do not dispose of the product in household waste. Check for recycling options in your area.

## **Contact Information for Further Support**

For any safety inquiries or support regarding the 90° Muzzle Facing Cutter & Steel Pilot, please consult the manufacturer's contact information provided with your product packaging or visit the manufacturer's website.

Thank you for your attention to these safety guidelines. Enjoy using your 90° Muzzle Facing Cutter & Steel Pilot safely and effectively!
