

# **STEEL ONE CALIBER SETS - BROWNEllS STEEL ONE CALIBER SET FITS .177 AIRGUN MUZZLE (.173")**

[Gunsmith Tools](#) > [Barrel Tools](#) > [Barrel Chamfering Tool Kits](#)

## **Square Up & Chamfer Rifle & Handgun Muzzles - Steel Bore Pilot**

Set includes: one, 90° facing cutter to square a muzzle after shortening, or repair damage; one, 45° chamfering cutter to break the edges of the rifling for a clean bullet exit or chamfer a revolver cylinder mouth for quick reloads; plus one handle that fits either cutter and one steel bore pilot. Interchangeable pilot keeps cutter properly aligned. Purchase extra pilots to use one cutter for many different calibers. Pilots for other calibers available separately.

Steel One Caliber Set fits .177 Airgun Muzzle (.173")

Select one of the following for other rifle/handgun muzzles, cylinder facing & chamfering tools.

# Safety Instruction Guide for STEEL ONE CALIBER SET

## Introduction

Thank you for choosing the STEEL ONE CALIBER SET by BROWNELLS. This product is designed for precision in barrel chamfering of .177 airgun muzzles. To ensure safe and effective use of this tool, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Always read the instructions carefully before using the product.
- Keep the tool out of reach of children and vulnerable individuals.
- Inspect the tool for any damage before each use. Do not use if damaged.
- Use the tool only for its intended purpose as described in this manual.
- Wear appropriate personal protective equipment (PPE), including safety goggles and gloves.
- Ensure your work area is clean and free of hazards that could cause accidents.
- Do not use the tool in wet or damp conditions to avoid electric shock or rust.

## Specific Safety Precautions for Use

- Handle the tool with care to avoid injury from sharp edges.
- Ensure the tool is securely held during use to prevent slipping.
- Do not force the tool; let it do the work to avoid damage and personal injury.
- Always maintain a firm grip on the handle while operating the tool.
- Avoid distractions while using the tool to maintain focus and control.
- Store the tool in a safe place when not in use to prevent accidents.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary materials and tools for installation.
- Ensure the work surface is stable and secure.

### 2. Installation:

- Select the appropriate cutter for your project (Facing Cutter or Chamfer Cutter).
- Attach the cutter securely to the handle, ensuring it is properly aligned.

### 3. Usage:

- Position the airgun muzzle securely in place.
- Hold the handle firmly and apply gentle pressure to start the cutting process.
- Move the tool smoothly and steadily for consistent results.
- After use, carefully remove the cutter from the handle and clean any debris.

### 4. PostUsage Care:

- Clean the tool after each use to prevent rust and maintain performance.
- Store the tool in the provided polypropylene box to protect it from damage.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the tool in household waste. Check for local recycling programs for metal tools.
- Ensure that any sharp parts are securely wrapped to prevent injury during disposal.

## Contact Information for Further Support

For any inquiries regarding safety, usage, or support, please reach out to the designated EU contact point provided with your product packaging.

By following these guidelines, you can ensure a safe and effective experience with your STEEL ONE CALIBER SET. Always prioritize safety and do not hesitate to seek assistance if needed. Thank you for your attention to these important safety instructions.
