

STEEL ONE CALIBER SETS - BROWNELLS STEEL ONE CALIBER SET FITS 8MM MUZZLE

[Gunsmith Tools](#) > [Barrel Tools](#) > [Barrel Chamfering Tool Kits](#)

Square Up & Chamfer Rifle & Handgun Muzzles - Steel Bore Pilot

Set includes: one, 90° facing cutter to square a muzzle after shortening, or repair damage; one, 45° chamfering cutter to break the edges of the rifling for a clean bullet exit or chamfer a revolver cylinder mouth for quick reloads; plus one handle that fits either cutter and one steel bore pilot. Interchangeable pilot keeps cutter properly aligned. Purchase extra pilots to use one cutter for many different calibers. Pilots for other calibers available separately.

Select one of the following for other rifle/handgun muzzles, cylinder facing & chamfering tools.

Safety Instruction Guide for STEEL ONE CALIBER SETS BROWNELLS STEEL ONE CALIBER SET FITS 8MM MUZZLE

Introduction

Thank you for choosing the STEEL ONE CALIBER SET. This guide provides essential safety information and instructions to ensure the safe use of the product. Please read this guide carefully before using the product to understand how to operate it safely and effectively.

General Safety Guidelines

- Always use the product according to the instructions provided in this guide.
- Ensure you are in a safe environment when using the product, free from distractions and hazards.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product before each use for any signs of damage or wear.
- Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using the product.
- Do not modify the product in any way, as this may compromise its safety and effectiveness.
- If you experience any issues or malfunctions, cease use immediately and consult a professional.

Specific Safety Precautions for Use

- Ensure the work area is welllit and organized to prevent accidents.
- Use the facing cutter and chamfer cutter only for their intended purposes.
- Do not exceed the recommended cutting speeds and pressures.
- Keep hands and other body parts away from the cutting area when the tool is in use.
- Always use the handle provided to operate the cutters to maintain control.
- Ensure that the pilot is properly aligned before beginning any cutting operation.
- Store the product in a dry place when not in use to prevent rust and damage.

Instructions for Installation and Usage

1. Preparation:

- Gather all components of the STEEL ONE CALIBER SET, including the cutters, handle, and pilot.
- Ensure that the work surface is clean and stable.

2. Installing the Pilot:

- Select the appropriate pilot for your caliber.
- Insert the pilot into the cutter and ensure it is securely in place.

3. Using the Facing Cutter:

- Attach the facing cutter to the handle.
- Position the muzzle securely in a vice or stable fixture.
- Align the cutter with the muzzle and apply gentle pressure while rotating the handle to square the muzzle.
- Check the cut regularly to ensure a clean finish.

4. Using the Chamfer Cutter:

- Attach the chamfer cutter to the handle.
- Position the cutter at a 45° angle to the edge of the rifling.
- Rotate the handle to chamfer the edges, ensuring a smooth bullet exit.

5. PostUse:

- Clean the cutters and handle after use to remove any debris.
- Store all components in the provided polypropylene box to prevent damage.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- If the product is damaged and no longer usable, consider recycling materials where possible.

Contact Information for Further Support

For any inquiries or safety concerns regarding the STEEL ONE CALIBER SET, please reach out to the designated contact point provided with your product. Always ensure that you have the most current information regarding safety and product recalls.

By following these safety guidelines and instructions, you can ensure a safe and effective experience with the STEEL ONE CALIBER SET. Thank you for your attention to safety, and enjoy your product!
