

STEEL ONE CALIBER SETS - STEEL ONE CALIBER SET FITS .44 MUZZLE

[Gunsmith Tools & Supplies](#) > [Barrel Tools](#) > [Barrel Chamfering Tool Kits](#)

Square Up & Chamfer Rifle & Handgun Muzzles - Steel Bore Pilot

Set includes: one, 90° facing cutter to square a muzzle after shortening, or repair damage; one, 45° chamfering cutter to break the edges of the rifling for a clean bullet exit or chamfer a revolver cylinder mouth for quick reloads; plus one handle that fits either cutter and one steel bore pilot. Interchangeable pilot keeps cutter properly aligned. Purchase extra pilots to use one cutter for many different calibers. Pilots for other calibers available separately.

Select one of the following for other rifle/handgun muzzles, cylinder facing & chamfering tools.

Safety Instruction Guide for STEEL ONE CALIBER SETS

Introduction

Thank you for choosing the STEEL ONE CALIBER SETS. This product is designed to assist you in achieving precise muzzle cutting and chamfering for .44 caliber firearms. To ensure your safety and the effective use of this product, please read and follow the instructions and guidelines provided in this safety instruction guide.

General Safety Guidelines

- Always use the product in accordance with the manufacturer's instructions.
- Ensure the workspace is clean, welllit, and free of distractions.
- Keep the product out of reach of children and vulnerable individuals.
- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves while using the product.
- Inspect the product for any damage before each use. Do not use if damaged.
- Report any unsafe conditions or incidents to the relevant authorities immediately.
- Regularly check for product recalls on the EU's Safety Gate platform.

Specific Safety Precautions for Use

• Hazard Identification:

- Sharp edges: The cutters are sharp and can cause cuts or injuries.
- Heavy components: The handle and pilot may cause injury if dropped.
- Muzzle alignment: Improper alignment can lead to misfires or damage to the firearm.

• Avoiding Hazards:

- Always handle the cutters by their handles to avoid direct contact with the sharp edges.
- Ensure that the firearm is unloaded and pointed in a safe direction before using the product.
- Use the correct pilot for the caliber you are working with to maintain proper alignment.
- Do not force the cutter; let the tool do the work to avoid accidents.

• AgeSpecific Warnings:

- This product is intended for use by adults only. Keep it away from children and untrained individuals.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the firearm is completely unloaded and that the workspace is clean.
- Gather all necessary tools and safety equipment.

2. Installing the Cutter:

- Select the appropriate cutter based on your needs (facing cutter or chamfer cutter).
- Attach the cutter securely to the handle, ensuring it is properly aligned.
- Insert the steel bore pilot into the cutter for stability.

3. Using the Cutter:

- Position the cutter at the muzzle of the firearm, ensuring it is perpendicular to the surface.
- Apply gentle pressure and rotate the cutter to achieve a clean cut or chamfer.
- Do not rush the process; allow the cutter to do its work without excessive force.

4. PostUse Maintenance:

- Clean the cutters and handle after use to remove any debris or residue.
- Store the product in a safe, dry place, preferably in the original packaging to prevent damage.

Disposal Instructions

- Dispose of any damaged or worn components responsibly. Follow local regulations for the disposal of metal and sharp objects.
- If the product is no longer in use, consider recycling the materials where possible.

Contact Information for Further Support

For any safety inquiries or further support regarding the STEEL ONE CALIBER SETS, please contact the manufacturer or your local distributor. Always ensure that you have the product details ready when seeking assistance.

By following these safety instructions, you can ensure a safe and effective experience while using the STEEL ONE CALIBER SETS. Thank you for prioritizing safety and responsible usage.
