Safety Instruction Guide for 98 MAUSER MAGAZINE SPRING

Introduction

Thank you for choosing the 98 MAUSER MAGAZINE SPRING. This safety instruction guide is designed to ensure the safe use of the product while complying with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before installation and use to minimize risks and ensure optimal performance.

General Safety Guidelines

- Ensure the product is suitable for your specific firearm model, the Mauser 98.
- Inspect the magazine spring before each use for any signs of wear or damage.
- Use only with compatible calibers and conversions as specified.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe product conditions or incidents to the appropriate authorities.
- Regularly check the EU's Safety Gate platform for any recall updates related to this product.

Specific Safety Precautions for Use

- Do not use the magazine spring if it appears worn, damaged, or does not fit properly.
- Ensure the firearm is unloaded before installing or replacing the magazine spring.
- Follow all firearm safety protocols when handling and using your firearm.
- Minor fitting may be required; take care not to modify the spring in a way that could compromise safety.
- If you are unsure about installation or usage, seek assistance from a qualified gunsmith.

Instructions for Installation and Usage

1. Preparation

- Ensure you have a clean workspace and all necessary tools for installation.
- Confirm that your firearm is unloaded and safe to handle.

2. Installation Steps

- Remove the existing magazine spring from your Mauser 98.
- Compare the new magazine spring with the old one to ensure proper size and fit.
- Insert the new magazine spring into the magazine housing, ensuring it is seated correctly.
- Reassemble the magazine and ensure all components are securely in place.

3. Usage Tips

- Load the magazine according to the manufacturer's specifications.
- Test the magazine function with dummy rounds to ensure reliable feeding.
- Regularly inspect the magazine spring during routine maintenance of your firearm.

Disposal Instructions

- Dispose of the magazine spring in accordance with local regulations regarding metal recycling and hazardous materials.
- Do not dispose of the product in regular household waste.
- Contact your local waste management authority for guidance on safe disposal practices.

Contact Information for Further Support

For any questions or concerns regarding the 98 MAUSER MAGAZINE SPRING, please refer to the manufacturer's contact information provided on the packaging or product insert.

Thank you for your attention to these safety guidelines. Your safety and satisfaction are our top priorities.
