Safety Instruction Guide for 90° Muzzle Facing Cutter & Brass Pilot

Introduction

Thank you for choosing the 90° Muzzle Facing Cutter & Brass Pilot. This tool is designed to square a muzzle after shortening or to repair dings and damage. It is important to follow safety guidelines to ensure safe and effective use of this product.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always wear appropriate personal protective equipment (PPE) such as safety goggles and gloves while using the cutter.
- Keep the tool out of reach of children and vulnerable individuals.
- Do not use the cutter if it appears damaged or worn. Inspect it regularly for any signs of wear.
- Always work in a welllit and clean environment to prevent accidents.
- Be aware of your surroundings and ensure that no one is in the immediate area while using the cutter.

Specific Safety Precautions for Use

- Use the cutter only on materials that are compatible with its specifications.
- Ensure that the handle is securely attached before use to prevent slippage.
- Do not apply excessive force while cutting; let the tool do the work to avoid injury.
- Keep fingers and hands away from the cutting area at all times.
- If you experience any discomfort or notice any issues while using the cutter, stop immediately and seek assistance.

Instructions for Installation and Usage

1. Preparation

- Ensure the workpiece is securely clamped or held in place.
- Select the appropriate pilot for the caliber you are working with.

2. Installation of the Pilot

- Insert the pilot into the cutter.
- Ensure that the pilot is properly aligned and locked in place.

3. Using the Cutter

- Hold the handle firmly and position the cutter at a 90° angle to the muzzle.
- Apply gentle pressure and turn the cutter in a clockwise direction.
- Continue cutting until the desired muzzle square is achieved.
- Once finished, carefully remove the cutter and pilot from the workpiece.

4. PostUse Care

- Clean the cutter and pilot after each use to remove debris and prevent corrosion.
- Store the cutter and pilot in the provided polypropylene box to protect them from damage.

Disposal Instructions

- Dispose of any damaged or worn components in accordance with local regulations.
- Recycle packaging materials where possible to minimize waste.

Contact Information for Further Support

For any safety inquiries or further assistance, please refer to the product packaging for contact information or consult the retailer where the product was purchased.

By following these guidelines, you can ensure a safe and effective experience with the 90° Muzzle Facing Cutter & Brass Pilot. Thank you for prioritizing safety in your usage of this tool.
