# Safety Instruction Guide for 90° Muzzle Facing Cutter & Brass Pilot

## Introduction

Thank you for purchasing the 90° Muzzle Facing Cutter & Brass Pilot. This tool is designed for safely squaring a muzzle after shortening or repairing dings and damage. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always wear appropriate personal protective equipment (PPE), including safety goggles and gloves, when using the cutter.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the tool for any signs of damage or wear before use.
- Report any unsafe conditions or accidents to the relevant authorities.
- Stay informed about recall updates through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use the cutter in a wellventilated area to avoid inhaling any metal shavings.
- Ensure that the cutter is securely attached to the handle before use.
- Avoid applying excessive force when using the cutter to prevent injury or damage.
- Always keep your hands and fingers away from the cutting area.
- Do not use the cutter if you are tired or under the influence of substances that may impair your judgment.
- Use caution when changing pilots, ensuring the cutter is not in use.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary materials, including the cutter, handle, and the appropriate pilot.
- Ensure that the work area is clean and free from hazards.

### 2. Attaching the Pilot:

- Select the desired pilot for your specific caliber.
- Align the pilot with the cutter and securely attach it according to the manufacturer's instructions.

### 3. Using the Cutter:

- Hold the handle firmly with one hand while keeping the cutter steady with the other hand.
- Position the cutter at a 90° angle to the muzzle.
- Apply gentle pressure and rotate the cutter in a clockwise direction to achieve a smooth cut.
- Check the alignment frequently to ensure accuracy.

### 4. After Use:

- Carefully detach the pilot from the cutter and clean any metal shavings.
- Store the cutter and pilots in the provided polypropylene box to protect them from damage.

## **Disposal Instructions**

- Dispose of any damaged or worn parts of the cutter responsibly, following local regulations for hazardous waste.
- Recycle materials when possible, such as metal and plastic components, in accordance with local recycling guidelines.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of this product, please refer to the manufacturer's contact information provided on the packaging or product insert. Your safety and satisfaction are our top priorities.

Thank you for your attention to these safety instructions. Enjoy using your 90° Muzzle Facing Cutter & Brass Pilot safely and effectively!
