Safety Instruction Guide for 90° Muzzle Facing Cutter & Brass Pilot

Introduction

Thank you for choosing the 90° Muzzle Facing Cutter & Brass Pilot. This tool is designed to provide precision in muzzle facing and repairs. To ensure your safety and the effective use of this product, please read this guide thoroughly.

General Safety Guidelines

- Always use the product in accordance with the manufacturer's instructions.
- Inspect the tool before each use for any signs of damage or wear.
- Keep the tool out of reach of children and vulnerable individuals.
- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves.
- Be aware of your surroundings and ensure a clear workspace to avoid accidents.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Ensure that the cutter is securely attached to the handle before use.
- Avoid using excessive force when cutting to prevent tool breakage or injury.
- Do not use the cutter for any purpose other than its intended use.
- Always keep hands and fingers away from the cutting area.
- If the cutter becomes dull or damaged, discontinue use and replace it immediately.
- Store the tool in its original polypropylene box when not in use to prevent accidental injury.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the workspace is clean and free from clutter.
- Gather all necessary materials including the cutter, handle, and pilot.

2. Installing the Cutter:

- Insert the brass pilot into the cutter head.
- Attach the cutter to the aluminum handle securely.
- Ensure that the pilot is properly aligned to maintain cutting accuracy.

3. Using the Cutter:

- Position the muzzle securely in a vise or similar fixture for stability.
- Align the cutter at a 90° angle to the muzzle.
- Apply light, steady pressure while rotating the cutter to achieve a smooth cut.
- Check the progress frequently to avoid overcutting.

4. PostUsage Care:

- Clean the cutter and pilot with a dry cloth after use to remove debris.
- Inspect for any signs of wear or damage before storing.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the cutter or pilot in regular trash if they are damaged or broken.
- Contact your local waste management authority for guidance on proper disposal methods.

Contact Information for Further Support

For any inquiries regarding the safety and use of this product, please refer to the manufacturer's contact points available on the packaging or product documentation.

Thank you for prioritizing safety while using the 90° Muzzle Facing Cutter & Brass Pilot. Your careful handling and adherence to these guidelines will ensure a safe and effective experience.
