# Safety Instruction Guide for 90° Muzzle Facing Cutter & Brass Pilot

## Introduction

Thank you for purchasing the 90° Muzzle Facing Cutter & Brass Pilot. This product is designed to help you square a muzzle after shortening or to repair dings and damage. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Always use the product as intended and according to the instructions provided.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product before each use for any signs of damage or wear. Do not use if damaged.
- Use personal protective equipment (PPE) such as safety goggles and gloves to protect yourself during use.
- Store the product in a safe place, preferably in the provided polypropylene box, when not in use.
- Report any unsafe conditions or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Ensure that the area you are working in is welllit and free from distractions.
- Do not apply excessive force while using the cutter; this may lead to accidents or damage.
- Always secure the workpiece before cutting to prevent movement during the operation.
- Be cautious of sharp edges and points on the cutter and pilot.
- Do not attempt to modify or alter the product in any way.
- If using the cutter for different calibers, ensure you have the correct pilot for the intended caliber.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and materials, including the cutter, handle, and pilot.
- Ensure the work area is clean and organized.

### 2. Installation of the Pilot:

- Select the appropriate pilot for the caliber you are working with.
- Insert the pilot into the cutter until it is securely in place.

### 3. Using the Cutter:

- Attach the handle to the cutter for better grip and control.
- Position the muzzle securely in place to prevent movement.
- Align the cutter with the muzzle and apply gentle pressure.
- Rotate the cutter to achieve a clean, square cut. Avoid excessive force.

### 4. PostUse Care:

- After use, clean the cutter and pilot to remove any debris or residue.
- Store the cutter and pilot in the provided polypropylene box to protect them from damage.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- If the product is no longer usable, consider recycling components where possible.
- Do not dispose of the product in household waste if it contains hazardous materials.

## Contact Information for Further Support

For any inquiries regarding safety or usage of the 90° Muzzle Facing Cutter & Brass Pilot, please refer to the product packaging for contact information. Additionally, you can check for recall updates on the EU's Safety Gate platform.

By following these safety instructions, you can ensure a safe and effective experience with your 90° Muzzle Facing Cutter & Brass Pilot. Thank you for your attention to safety.
