Safety Instruction Guide for 90° Muzzle Facing Cutter & Brass Pilot

Introduction

Thank you for purchasing the 90° Muzzle Facing Cutter & Brass Pilot. This tool is designed for precision muzzle facing and is suitable for various calibers. To ensure your safety and the effective use of this product, please read and follow the safety instructions and guidelines provided in this manual.

General Safety Guidelines

- Always use the cutter in a welllit and clean workspace.
- Keep the cutter and pilot out of reach of children and unauthorized users.
- Inspect the cutter and pilot for any damage before each use. Do not use if damaged.
- Use appropriate personal protective equipment (PPE), including safety glasses and gloves.
- Ensure that the cutter is properly secured in place before use.
- Follow all local regulations regarding the use and handling of tools.

Specific Safety Precautions for Use

- **Handling:** Always handle the cutter with care to avoid cuts or injuries. The blades are sharp.
- **Alignment:** Ensure the pilot is properly aligned with the cutter to prevent accidents.
- **Force:** Do not apply excessive force while using the cutter, as this may lead to breakage or injury.
- **Storage:** Store the cutter and pilot in the provided polypropylene box when not in use to prevent damage and ensure safety.
- **Distraction:** Avoid distractions while using the cutter. Focus on the task at hand to prevent accidents.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and materials.
- Ensure you have the appropriate pilot for your desired caliber.

2. Installation:

- Insert the pilot into the cutter, ensuring it is securely fitted.
- Check the alignment of the pilot and cutter before proceeding.

3. Usage:

- Place the muzzle firmly against the cutter.
- Rotate the cutter gently and evenly to achieve a smooth finish.
- Monitor the pressure applied to ensure consistent results without damaging the material.

4. PostUse:

- After use, clean the cutter and pilot to remove any debris.
- Store the cutter and pilot in the polypropylene box for safety and longevity.

Disposal Instructions

- Dispose of the cutter, pilot, and packaging in accordance with local regulations.

- Do not dispose of the cutter or pilot in regular household waste. Check for recycling options for metal components.
- Ensure that all components are safely disposed of to prevent harm to the environment or others.

Contact Information for Further Support

For any safety inquiries or further information regarding the 90° Muzzle Facing Cutter & Brass Pilot, please reach out to the appropriate contact point provided by the manufacturer, BROWNELLS.

By following these guidelines, you can ensure a safe and effective experience with your 90° Muzzle Facing Cutter & Brass Pilot. Always prioritize safety and adhere to the instructions for the best results.
