Safety Instruction Guide for 90° Muzzle Facing Cutter & Brass Pilot

Introduction

Thank you for purchasing the 90° Muzzle Facing Cutter & Brass Pilot by Brownells. This tool is designed to help you square a muzzle after shortening or to repair dings and damage. Please read this safety instruction guide thoroughly to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using the cutter.
- Keep the tool out of reach of children and vulnerable individuals.
- Inspect the tool for any damage before each use. Do not use if damaged.
- Store the cutter and pilot in a safe, dry location when not in use.
- Follow all local regulations regarding the use and storage of firearms and related tools.

Specific Safety Precautions for Use

- Do not apply excessive force when using the cutter to avoid injury or damage to the tool.
- Always secure the workpiece firmly before using the cutter.
- Avoid wearing loose clothing or jewelry that could get caught in the tool during operation.
- Be cautious of sharp edges on the cutter and pilot; handle with care to prevent cuts.
- If you experience any discomfort or pain while using the tool, stop immediately and consult a professional.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary materials: the cutter, handle, and pilot.
- Ensure you have a clean, welllit workspace.

2. Attaching the Pilot:

- Select the appropriate pilot for your caliber.
- Insert the pilot into the cutter until it is securely in place.

3. Using the Cutter:

- Secure the muzzle of the firearm or workpiece in a stable position.
- Align the cutter at a 90° angle to the muzzle.
- Gently rotate the cutter to face the muzzle evenly. Do not force the cutter.
- After use, remove the cutter and pilot from the workpiece.

4. Cleaning and Maintenance:

- Clean the cutter and pilot with a soft cloth after each use to remove debris.
- Store the cutter and pilot in the provided polypropylene box to protect them from damage.

Disposal Instructions

- Dispose of the product according to local regulations.
- Do not dispose of the cutter or pilot in general household waste if they are damaged or broken.
- Consider recycling materials where applicable.

Contact Information for Further Support

For any safety inquiries or further support, please refer to the manufacturer's contact information provided with your product.
