# Safety Instruction Guide for 90° Muzzle Facing Cutter & Brass Pilot

## Introduction

Thank you for choosing the 90° Muzzle Facing Cutter & Brass Pilot from Brownells. This product is designed to provide precision in muzzle facing and repair. To ensure safe and effective use of this tool, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Always use the cutter in a welllit and spacious area to avoid accidents.
- Wear appropriate personal protective equipment (PPE), including safety glasses and gloves, to protect against metal shavings and other debris.
- Keep the cutter and pilot out of reach of children and unauthorized users.
- Inspect the cutter and pilot for any damage before use. Do not use if damaged.
- Follow all local regulations regarding the use of tools and firearms.

## Specific Safety Precautions for Use

- Ensure the cutter is securely attached to the handle before use.
- Do not exceed the recommended cutting depth to avoid damage to the tool and ensure safety.
- Use the cutter only for its intended purpose; do not attempt to modify or use it for other applications.
- Always keep hands and fingers away from the cutting area while in operation.
- If you experience any discomfort or difficulty while using the tool, stop immediately and assess the situation.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and materials, including the cutter, handle, and pilot.
- Ensure that the workspace is clean and free of obstructions.

### 2. Attaching the Cutter:

- Insert the pilot into the cutter's designated slot.
- Securely attach the cutter to the handle by following the manufacturer's instructions.

### 3. Using the Cutter:

- Position the cutter at a 90° angle to the muzzle.
- Apply gentle pressure and rotate the cutter to achieve the desired facing.
- Avoid applying excessive force, which could lead to tool damage or personal injury.

### 4. After Use:

- Remove the cutter from the muzzle carefully.
- Clean the cutter and pilot to remove any debris or residue.
- Store the cutter and pilot in the provided polypropylene box to protect from damage.

## **Disposal Instructions**

- Dispose of any damaged or wornout tools in accordance with local waste disposal regulations.
- Recycle materials whenever possible, including the metal components of the cutter and pilot.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the safety and use of this product, please refer to the manufacturer's contact information provided on the packaging or visit their official website.

By following these safety instructions, you can ensure a safe and effective experience with your 90° Muzzle Facing Cutter & Brass Pilot. Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation.
