# Safety Instruction Guide for 90° Muzzle Facing Cutter & Brass Pilot

## Introduction

Thank you for choosing the 90° Muzzle Facing Cutter & Brass Pilot from Brownells. This product is designed for squaring a muzzle after shortening or repairing dings and damage. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure safe handling and use of the cutter and pilot.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using the product.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product before use for any signs of damage or wear.
- Follow all instructions provided in this guide to avoid potential hazards.

## Specific Safety Precautions for Use

- **Hardened Steel Cutter:** The cutter is sharp and can cause cuts or injuries. Handle with care.
- **Pilot Alignment:** Ensure the pilot is properly aligned before use to avoid accidents.
- **Work Area:** Use the cutter in a welllit and clutterfree workspace to minimize distractions and hazards.
- **Storage:** Store the cutter and pilot in the provided polypropylene box when not in use to prevent damage and accidents.
- **DistractionFree Environment:** Avoid using the cutter when fatigued or under the influence of substances that may impair judgment.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and materials.
- Ensure you have a clean and safe workspace.

### 2. Assembly:

- Insert the brass pilot into the cutter ensuring it is securely attached.
- Attach the handle to the cutter if not already attached.

### 3. Using the Cutter:

- Position the cutter at the muzzle you wish to square.
- Firmly hold the handle and apply even pressure while rotating the cutter.
- Do not force the cutter; allow it to do the work to prevent damage.

### 4. PostUse Care:

- After use, clean the cutter and pilot to remove any debris.
- Store the cutter and pilot back in the polypropylene box.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste. Check for recycling options specific to metal and plastic materials.

## **Contact Information for Further Support**

For additional support or inquiries regarding safety, please refer to your local EU contact point for consumer safety. You can also check for recall updates on the EU's Safety Gate platform to stay informed about product safety.

Thank you for your attention to these safety guidelines. Enjoy using your 90° Muzzle Facing Cutter & Brass Pilot safely and effectively!
