Safety Instruction Guide for 90° Muzzle Facing Cutter & Brass Pilot

Introduction

Thank you for choosing the 90° Muzzle Facing Cutter & Brass Pilot. This tool is designed to provide safe and effective muzzle facing for .50 S&W firearms. Please read this safety instruction guide carefully to ensure proper use and maintenance of the product. Following these guidelines will help you avoid potential hazards and ensure a safe experience.

General Safety Guidelines

- Ensure safe use of the product by following all instructions.
- Check for any visible damage to the product before use.
- Keep the product out of reach of children and vulnerable individuals.
- Always use the product in a wellventilated area.
- Wear appropriate personal protective equipment (PPE) such as safety goggles and gloves when using the cutter.
- Be aware of your surroundings and ensure that no one is in close proximity while using the tool.
- Report any unsafe conditions or accidents to the relevant authorities.

Specific Safety Precautions for Use

- **Handling the Cutter:**
 - Always hold the cutter by the handle. Avoid touching the cutting edge to prevent injury.
 - Ensure that the cutter is securely attached to the pilot before use.
- **Using the Cutter:**
 - Do not apply excessive force while using the cutter; let the tool do the work.
 - If the cutter becomes stuck, do not force it. Stop and assess the situation.
 - Avoid using the cutter on materials other than specified calibers.
- **Storage:**
 - Store the cutter and pilot in the provided polypropylene box when not in use.
 - Keep the product in a dry place to prevent rust and damage.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the muzzle is clean and free of debris before starting.
- Select the appropriate pilot for the caliber you are working with.

2. Attaching the Pilot:

- Insert the pilot into the cutter until it clicks into place.
- Verify that the pilot is properly aligned with the cutter.

3. Using the Cutter:

- Position the cutter at a 90° angle to the muzzle.
- Apply gentle pressure and rotate the cutter in a clockwise direction.
- Check the muzzle frequently to ensure an even cut.

4. PostUse Care:

- Clean the cutter and pilot after each use to remove any residue.
- Inspect the cutter for any signs of wear or damage before storing.

Disposal Instructions

- Dispose of the cutter and pilot in accordance with local regulations.
- Do not dispose of the product in regular household waste if it is damaged or no longer usable.
- Consider recycling options for metal components where applicable.

Contact Information for Further Support

For any inquiries or concerns regarding the safety and use of the 90° Muzzle Facing Cutter & Brass Pilot, please reach out to the designated EU contact point provided by the manufacturer. Always ensure that you have the latest product information and safety updates.

By adhering to these safety guidelines and instructions, you can ensure a safe and effective experience with your 90° Muzzle Facing Cutter & Brass Pilot. Thank you for your attention to safety and responsible use.
