# Safety Instruction Guide for the 90° Muzzle Facing Cutter & Brass Pilot

## Introduction

Thank you for choosing the 90° Muzzle Facing Cutter & Brass Pilot. This tool is designed to provide safe and effective muzzle facing for firearms. It is crucial to follow the safety guidelines and instructions provided in this manual to ensure safe and proper use.

## General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Keep this tool out of reach of children and vulnerable individuals.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using this tool.
- Inspect the tool before each use for any signs of damage or wear. Do not use a damaged tool.
- Store the tool in a secure and dry location to prevent accidents and maintain its integrity.
- Report any unsafe products or incidents to the relevant authorities.

## Specific Safety Precautions for Use

- **Handling the Cutter:**
  - Always handle the cutter with care to avoid cuts or injuries.
  - Do not put your fingers near the cutting edge while using the tool.
- **Using the Pilot:**
  - Ensure the pilot is properly inserted and secured before use.
  - Use only the recommended pilots for your specific caliber to avoid misalignment.
- **Work Environment:**
  - Use the cutter in a welllit area to ensure visibility.
  - Keep the work area clean and free of clutter to prevent accidents.
- **Personal Safety:**
  - Do not wear loose clothing or jewelry that could get caught in the tool.
  - If you feel tired or distracted, take a break before resuming work.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and materials, including the cutter, handle, and pilot.
- Ensure your work area is clean and welllit.

### 2. Installing the Pilot:

- Select the appropriate pilot for your caliber.
- Insert the pilot into the cutter until it clicks into place.
- Ensure that the pilot is securely fastened.

### **3. Using the Cutter:**

- Attach the handle to the cutter.
- Position the cutter against the muzzle that requires facing.
- Apply gentle, even pressure while rotating the cutter to ensure a smooth cut.
- Check the muzzle frequently to avoid overcutting.

### **4. PostUse Care:**

- After use, clean the cutter and pilot with a dry cloth to remove any debris.
- Store the cutter and pilot in the provided polypropylene box to protect them from damage.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of the tool in regular household waste if it is damaged.
- Check with local authorities for proper disposal methods for metal tools.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of the 90° Muzzle Facing Cutter & Brass Pilot, please consult the manufacturer's customer support resources or your point of purchase.

By following these safety instructions, you can ensure a safe and effective experience with your 90° Muzzle Facing Cutter & Brass Pilot. Thank you for prioritizing safety in your firearm maintenance activities.
