

45° MUZZLE/CYLINDER CHAMFERING CUTTER & BRASS PILOT - 45 DEGREE FACING CUTTER & BRASS PILOT FOR 6MM/.243 MUZZLE

[Gunsmith Tools & Supplies](#) > [Barrel Tools](#) > [Barrel Chamfering Tool Kits](#)

Break Sharp Edges On Rifle & Handgun Muzzles; Get Faster Cylinder Filling On Revolvers

45° chamfering cutter breaks the edges of the rifling for a clean bullet exit or chamfers revolver cylinder chamber mouths for quick reloads. Includes the cutter, a handle and one pilot, all in a polypropylene box. Interchangeable pilot keeps cutter properly aligned. Purchase extra pilots to use one cutter for many different calibers. Pilots for other calibers available separately. The 45° Cutter supplied in Sets marked with an * is 5/8" dia. to correctly chamfer the larger barrel and cylinder mouths on those calibers. All other Sets have a 1/2" diameter, 45° cutter.

Select one of the following for other rifle/handgun muzzles, cylinder facing & chamfering tools.

Safety Instruction Guide for 45° Muzzle/Cylinder Chamfering Cutter & Brass Pilot

Introduction

Thank you for choosing the 45° Muzzle/Cylinder Chamfering Cutter & Brass Pilot. This tool is designed to enhance your shooting experience by ensuring clean bullet exits and quick reloads. However, like any tool, it requires careful handling and proper usage to ensure safety. This guide provides important safety instructions, usage guidelines, and disposal information to help you use this product safely and effectively.

General Safety Guidelines

- Ensure that the cutter is used only for its intended purpose.
- Keep the tool out of reach of children and vulnerable individuals.
- Always wear appropriate personal protective equipment (PPE), such as safety goggles and gloves, when using the cutter.
- Inspect the cutter and its components before each use for any signs of damage or wear.
- Use the cutter in a wellventilated area to avoid inhalation of any debris.
- Follow all local laws and regulations regarding the use of firearm accessories.

Specific Safety Precautions for Use

- **Cutting Edges:** The cutter has sharp edges. Handle it with care to avoid cuts or injuries.
- **Alignment:** Ensure the pilot is properly aligned with the cutter before use to prevent accidents.
- **Stability:** Use the cutter on a stable surface to avoid slips or falls during operation.
- **Cleaning:** Keep the cutter clean and free from debris to maintain its effectiveness and safety.
- **Storage:** Store the cutter in its original polypropylene box when not in use to protect it from damage and to prevent accidents.

Instructions for Installation and Usage

1. **Unboxing:** Carefully remove the cutter, handle, and pilot from the packaging. Inspect all components for damage.
2. **Pilot Installation:**
 - Select the appropriate pilot for your caliber.
 - Insert the pilot into the cutter until it is securely in place.
3. **Using the Cutter:**
 - Hold the cutter firmly by the handle.
 - Align the cutter with the muzzle or cylinder chamber mouth.
 - Apply gentle pressure and rotate the cutter to chamfer the edges.
 - Avoid applying excessive force to prevent damage to the cutter or the firearm.
4. **PostUse Care:**
 - Remove the pilot from the cutter after use.
 - Clean the cutter and pilot with a soft cloth to remove any debris.
 - Store the cutter and pilot in the polypropylene box for safety.

Disposal Instructions

- Dispose of the cutter and its components in accordance with local regulations.
- Do not dispose of the cutter in regular household waste if it is damaged or broken.
- Consider recycling options for metal components where available.

Contact Information for Further Support

For any safety inquiries or concerns regarding the 45° Muzzle/Cylinder Chamfering Cutter & Brass Pilot, please refer to the product packaging for the EU contact point. You can also check for recall updates on the EU's Safety Gate platform to ensure you have the latest safety information.

By following these guidelines, you can ensure a safe and effective experience with your 45° Muzzle/Cylinder Chamfering Cutter & Brass Pilot. Thank you for your attention to safety.
