

# ACRAGLAS® DYES - BROWNELLS ACRAGLAS DYE TRY- PACK

[Gunsmith Tools](#) > [Stock Work & Finishing](#) > [Stock Bedding Accessories](#) > [Acraglas Dyes](#)

## Actually Dyes The Epoxy For Perfect Color

Traditional Brown, Jet Black, Camo Green and White "Toner" dyes actually mix with any epoxy to give even, true color throughout. Use straight for stock bedding or mix with White "Toner" to match wood for crack repair, patching, invisible bedding lines. When bedding fiberglass stocks that are to be painted using our Camo Paints, the Brown, Jet Black and Camo Green colors are a perfect match, so bedding lines won't show. Brown is also the same as in ACRAGLAS and ACRAGLAS GEL® Kits. Use a very small amount of Jet Black to duplicate grip caps, buttpates, etc., in casting molds. White "Toner" doesn't cast pure white; use to lighten other colors.

## Attributes

- Name: [BROWNELLS ACRAGLAS DYE TRY- PACK](#)
- Manufacturer: [BROWNELLS](#)
- Product no.: 081030300
- Mfr. No.:
- Color: -
- Delivery weight: 0.249kg
- Shipping height: 58mm
- Shipping width: 58mm
- Shipping length: 224mm
- UPC: 050806101371

# Safety Instruction Guide for ACRAGLAS® DYES BROWNELLS ACRAGLAS DYE TRYPACK

## Introduction

Thank you for choosing ACRAGLAS® DYES BROWNELLS ACRAGLAS DYE TRYPACK. This guide provides essential safety instructions to ensure the safe use of this product. Please read and follow all instructions carefully to minimize any risks associated with its use.

## General Safety Guidelines

- Always use the product in a wellventilated area to avoid inhaling fumes.
- Keep the product out of reach of children and pets.
- Avoid contact with skin and eyes. In case of contact, rinse immediately with plenty of water and seek medical attention if irritation persists.
- Do not ingest the product. If swallowed, seek medical help immediately.
- Store the product in a cool, dry place away from direct sunlight and heat sources.
- Use personal protective equipment (PPE) such as gloves and safety goggles when handling the dye.

## Specific Safety Precautions for Use

- Ensure that the work area is free of any flammable materials before starting.
- Do not mix the dye with any other chemicals unless specified in the instructions.
- Use only the recommended amount of dye to avoid excess waste and potential hazards.
- Be cautious when using Jet Black dye, as it can stain surfaces and clothing.
- If the dye spills, clean it immediately with soap and water to prevent staining.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary materials, including the dye, mixing containers, and protective gear.
- Ensure that the surface you are working on is clean and dry.

### 2. Mixing the Dye:

- Open the dye container carefully.
- Use a small mixing container to combine the dye with epoxy as needed.
- For stock bedding, use straight dye for traditional brown or mix with White "Toner" for matching wood.

### 3. Application:

- Apply the mixed dye to the desired area using a brush or applicator.
- For fiberglass stocks to be painted, use Brown, Jet Black, and Camo Green for best results.

### 4. Curing:

- Allow the dyed area to cure as per the epoxy manufacturer's instructions.
- Ensure the area is undisturbed during the curing process.

### 5. Cleanup:

- Clean any tools and surfaces used during application with soap and water immediately after use.

- Dispose of any leftover dye according to local regulations.

## **Disposal Instructions**

- Dispose of empty dye containers and any unused product in accordance with local waste disposal regulations.
- Do not pour the dye down the drain or throw it in regular trash unless specified by local guidelines.

## **Contact Information for Further Support**

For any inquiries regarding safety or product usage, please contact the manufacturer directly through their official channels. Ensure you have the product information ready for reference.

By following these safety instructions, you can ensure a safe and effective experience with ACRAGLAS® DYES BROWNELLS ACRAGLAS DYE TRYPACK. Thank you for prioritizing safety.
