

# TRIPLE "F"™ COMPOUND - BROWNELLS STOCK RUBBING COMPOUND, TRIPLE "F", 2OZ

[Gunsmith Tools](#) > [Stock Work & Finishing](#) > [Stock Rubbing Compounds](#)

## "Ultra-Fine" Stock Rubbing Compound

Almost twice as fine as our "Original" Stock Rubbing Compound& so it removes very little material. Greatly enhances the look and feel of any stock finish by evening out and brightening the existing finish. On a glossy finish, gives a bright, jewel-like luster. For a satin finish, cut back Tru-Oil® or Lin-Speed® with 600 grit paper, apply a small amount with a soft cloth and rub until it achieves the look you want, then buff off with a clean, soft cloth. Gives a magnificent depth and glow. Can also use to remove fine scratches on stocks or furniture.

Cannot ship outside Continental U.S. Ship UPS or FedEx Ground only within U.S.

# TRIPLE "F"™ COMPOUND BROWNELLS TRIPLE "F" STOCK RUBBING COMPOUND 2OZ Safety Instruction Guide

## Introduction

Thank you for choosing the TRIPLE "F"™ COMPOUND BROWNELLS TRIPLE "F" STOCK RUBBING COMPOUND. This guide provides important safety instructions to ensure the safe and effective use of this product. Please read the following information carefully before use.

## General Safety Guidelines

- Ensure safe use of the product by following all instructions.
- The product is intended for nonfood use only.
- Be aware of potential hazards, including skin and eye irritation.
- Always keep the product out of reach of children.
- If the product is ingested, seek medical attention immediately.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Wear protective gloves and goggles when using the product to avoid skin and eye contact.
- Use in a wellventilated area to minimize inhalation of fumes.
- Avoid prolonged skin contact; wash hands thoroughly after use.
- Do not apply the product near open flames or sparks.
- If irritation occurs, discontinue use and consult a healthcare professional.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the surface to be treated is clean and dry.
- If using on a satin finish, cut back TruOil® or LinSpeed® with 600 grit paper.

### 2. Application:

- Apply a small amount of the rubbing compound to a soft cloth.
- Rub the compound onto the surface in a circular motion until the desired look is achieved.
- For glossy finishes, expect a bright, jewellike luster.
- For satin finishes, continue to apply until the surface is evenly enhanced.

### 3. Buffing:

- Once the desired finish is reached, buff off the compound with a clean, soft cloth.
- Ensure no residue remains on the surface.

### 4. Cleaning Up:

- Dispose of any used cloths and materials according to local regulations.
- Store the product in a cool, dry place, away from direct sunlight and heat sources.

## **Disposal Instructions**

- Dispose of the product and any used materials in accordance with local regulations.
- Do not pour unused product down the drain or dispose of it in regular household waste.

## **Contact Information for Further Support**

For any inquiries regarding safety or product usage, please contact the manufacturer directly through the provided channels.

By following these safety instructions, you can ensure a safe and effective experience with the TRIPLE "F"™ COMPOUND BROWNELLS TRIPLE "F" STOCK RUBBING COMPOUND. Thank you for your attention to safety.
