

# TRIPLE "F"™ COMPOUND - BROWNELLS STOCK RUBBING COMPOUND, TRIPLE "F", 10OZ

[Gunsmith Tools](#) > [Stock Work & Finishing](#) > [Stock Rubbing Compounds](#)

## "Ultra-Fine" Stock Rubbing Compound

Almost twice as fine as our "Original" Stock Rubbing Compound & so it removes very little material. Greatly enhances the look and feel of any stock finish by evening out and brightening the existing finish. On a glossy finish, gives a bright, jewel-like luster. For a satin finish, cut back Tru-Oil® or Lin-Speed® with 600 grit paper, apply a small amount with a soft cloth and rub until it achieves the look you want, then buff off with a clean, soft cloth. Gives a magnificent depth and glow. Can also use to remove fine scratches on stocks or furniture.

Cannot ship outside Continental U.S. Ship UPS or FedEx Ground only within U.S.

# TRIPLE "F"™ COMPOUND BROWNELLS TRIPLE "F" STOCK RUBBING COMPOUND 10OZ Safety Instruction Guide

## Introduction

Thank you for choosing the TRIPLE "F"™ COMPOUND BROWNELLS TRIPLE "F" STOCK RUBBING COMPOUND. This guide provides essential safety instructions to ensure the safe use of this product. Please read the following information carefully before use.

## General Safety Guidelines

- Ensure that the product is stored out of reach of children and pets.
- Use the product in a wellventilated area to avoid inhalation of fumes.
- Wear protective gloves and eye protection when handling the product.
- Do not ingest the product. In case of accidental ingestion, seek medical attention immediately.
- Do not use the product on surfaces that come into direct contact with food.
- Check for any allergies to the ingredients listed on the product label before use.

## Specific Safety Precautions for Use

- Avoid contact with skin. If contact occurs, wash the affected area with soap and water.
- Do not apply the product near open flames or sources of ignition.
- Ensure that the product cap is tightly closed when not in use to prevent leakage.
- Do not mix with other chemicals or products unless specified in the instructions.
- If you experience any adverse reactions such as dizziness, headaches, or respiratory issues, stop using the product immediately and seek medical advice.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the surface to be treated is clean and dry.
- For a satin finish, cut back TruOil® or LinSpeed® with 600 grit paper before applying the compound.

### 2. Application:

- Apply a small amount of TRIPLE "F"™ COMPOUND to a soft cloth.
- Rub the compound onto the surface in a circular motion until the desired finish is achieved.
- For a glossy finish, apply more product for a bright, jewellike luster.

### 3. Buffing:

- Once the desired look is achieved, buff off the excess compound with a clean, soft cloth.
- Ensure that the surface is free from any residue.

### 4. PostApplication:

- Allow the treated surface to dry completely before use.
- Store the product in a cool, dry place, away from direct sunlight.

## **Disposal Instructions**

- Dispose of any unused product and empty containers in accordance with local regulations.
- Do not dispose of the product in household waste. Check for designated disposal sites or recycling programs in your area.

## **Contact Information for Further Support**

For any questions or concerns regarding the safety and use of this product, please refer to the contact information provided on the product packaging or visit the manufacturer's website.

By following these safety instructions, you can ensure a safe and effective experience with the TRIPLE "F"™ COMPOUND BROWNELLS TRIPLE "F" STOCK RUBBING COMPOUND. Thank you for your attention to safety.
