## Aluminum Oxide In A Water Soluble Base For Easy Cleanup

The right abrasive for lapping the final fit between semi-auto slides and frames, rifle bolts and receiver raceways and any other application where a super-close fit or silk-smooth mechanism is required. #600 and #800 grit aluminum oxide abrasive crystals in a long lasting petroleum base that's water soluble for fast, easy cleanup in soap and water. Aluminum oxide crystals are smooth and rounded in shape, so they won't embed and continue to wear the part after cleanup.

## Attributes

- Name: [LAPPING COMPOUND, TWIN PACK,ALUMINUM,OXIDE,#600/800 GRIT](#)
- Manufacturer: [BROWNELLS](#)
- Product no.: 083041002
- Mfr. No.:
- Grit: 600,800
- Model Number: 600 & 800 Grit
- Delivery weight: 0.318kg
- Shipping height: 58mm
- Shipping width: 109mm
- Shipping length: 224mm
- UPC: 050806103450

# Safety Instruction Guide for Lapping Compounds

## Introduction

Thank you for choosing the Lapping Compounds Twin Pack, featuring #600 and #800 grit aluminum oxide. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read this document carefully before use.

## General Safety Guidelines

- Ensure safe use of all nonfood products, including this lapping compound.
- Be aware of potential hazards associated with abrasive materials.
- Always follow the safety precautions outlined in this guide.
- If purchasing online, ensure that the platform complies with safety requirements.
- Report any unsafe products or incidents to the appropriate authorities.
- Check for recall updates regularly on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Personal Protective Equipment (PPE):** Always wear appropriate PPE, including:
  - Safety goggles to protect your eyes from dust and particles.
  - Dust mask or respirator to avoid inhaling abrasive dust.
  - Gloves to protect your skin from irritation.
- **Ventilation:** Use the product in a wellventilated area to minimize dust inhalation.
- **Avoid Contact with Skin:** Do not apply the compound directly to your skin. If contact occurs, wash the affected area with soap and water.
- **Keep Away from Children:** This product is not suitable for children. Store in a secure location out of reach of minors.
- **Do Not Ingest:** This product is not food. Do not ingest or allow ingestion by others.
- **Emergency Procedures:** In case of an emergency, seek medical attention if irritation or adverse reactions occur.

## Instructions for Installation and Usage

- **Preparation:**
  - Ensure the surfaces to be lapped are clean and free of debris.
  - Shake the jar of lapping compound before use to ensure even distribution of the abrasive crystals.
- **Application:**
  - Apply a thin, even layer of the lapping compound to the surfaces to be lapped.
  - Use a lapping tool or device suitable for your application.
- **Lapping Process:**
  - Follow the manufacturer's instructions for your specific lapping tool.
  - Use consistent pressure and motion to achieve the desired fit.
  - Periodically check the surfaces to monitor progress.
- **Cleanup:**
  - After lapping, clean the surfaces with soap and water.
  - Dispose of any residual compound according to local regulations.

## Disposal Instructions

- Dispose of unused or leftover lapping compound in accordance with local waste disposal regulations.
- Do not pour down drains or dispose of in regular trash unless specified by local guidelines.
- Ensure that containers are sealed and labeled appropriately for disposal.

## **Contact Information for Further Support**

For any inquiries regarding product safety or usage, please contact the manufacturer directly through their official channels.

Thank you for taking the time to read this safety instruction guide. Your safety and satisfaction are our top priorities. Enjoy your experience with the Lapping Compounds Twin Pack!
