

# TRIPLE TOUGH™ PREMIUM STORAGE BAGS - PREMIUM RIFLE STORAGE BAGS, 12"W X 60"L, 12 PACK

[Gunsmith Tools & Supplies](#) > [Shop Accessories & Supplies](#) > [Gun Storage Materials](#) > [Gun Storage Bags](#)

## Once Sealed It's Impervious To Moisture

Tough but flexible; these bags are puncture resistant, semi-transparent and have a 0% moisture transmission rating, so rust-protected items sealed inside will remain rust and corrosion free indefinitely. Resistant to all petroleum based chemicals and solvents and completely non-biodegradable, so they will never break down even in full contact with soil or moisture. Anti-static properties make them a perfect dust cover for short term storage in a vault, or even in the back corner of a closet.

## Attributes

# TRIPLE TOUGH™ PREMIUM STORAGE BAGS Safety Instructions

## Introduction

Thank you for choosing TRIPLE TOUGH™ PREMIUM STORAGE BAGS. These bags are designed for the safe storage of rifles and handguns, providing protection against rust, corrosion, and dust. This document outlines important safety guidelines and instructions to ensure the safe and effective use of the product.

## General Safety Guidelines

- Ensure that the storage bags are used for their intended purpose only.
- Always inspect the bags for any signs of damage before use. Do not use damaged bags.
- Keep the storage bags out of reach of children and vulnerable individuals.
- Report any unsafe products or incidents to the appropriate authorities.
- Check for updates on product recalls on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Puncture Resistance:** Although the bags are designed to be puncture resistant, avoid sharp objects that may compromise the integrity of the bags.
- **Moisture Protection:** Ensure that items stored inside the bags are dry to maximize moisture protection.
- **Chemical Resistance:** Be aware that while the bags are resistant to petroleumbased chemicals, they should not be exposed to harsh chemicals or solvents that are not compatible with the materials.
- **Static Electricity:** The antistatic properties of the bags make them suitable for shortterm storage; however, avoid prolonged exposure to staticprone environments.
- **Proper Handling:** Handle the bags with care to prevent tearing or damage.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the area where you will be storing the bags is clean and dry.
- Verify that the items to be stored are free of moisture and contaminants.

### 2. Placing Items in the Bag:

- Open the storage bag carefully.
- Place the rifle or handgun inside the bag, ensuring it fits comfortably without forcing it.
- If storing multiple items, do not overload the bag.

### 3. Sealing the Bag:

- Once the items are inside, securely seal the bag to prevent moisture and dust from entering.
- Ensure that the seal is tight to maximize protection.

### 4. Storage Location:

- Store the sealed bags in a cool, dry place away from direct sunlight.
- Avoid storing the bags in areas prone to extreme temperatures or humidity.

### 5. Checking Contents:

- Periodically check the condition of the bags and the items stored inside.

- If you notice any signs of damage or moisture, remove the items and replace the bag.

## **Disposal Instructions**

- The TRIPLE TOUGH™ PREMIUM STORAGE BAGS are nonbiodegradable.
- Do not dispose of the bags in regular household waste.
- Follow local regulations for the disposal of plastic materials.
- Consider reusing the bags whenever possible to reduce waste.

## **Contact Information for Further Support**

For any inquiries regarding safety or product concerns, please refer to the contact information provided with your product packaging or visit the manufacturer's website.

Thank you for choosing TRIPLE TOUGH™ PREMIUM STORAGE BAGS. Your safety and satisfaction are our top priorities.
