

# REALLY HEAVY DUTY SQUARE 100% COTTON PATCHES - BROWNELLS HEAVY DUTY COTTON ROUND PATCHES, .875"/.22-.25 CAL, 100 PACK

[Gun Cleaning & Chemicals](#) > [Patches & Mops](#) > [Bore Patches](#)

Extra tough patch that is fleeced on one side, natural on the other to get into the cracks and crevices where dirt hides. The heavy woven twill side scrubs well, while the fleece side is super absorbent. Made from 10 oz. per yard, 104 thread count per square inch, flannel glove cotton for durability. Strips are 7/8' x 6' for custom cuts to fit specific cleaning needs and are ideal for loop-style tips. Packaged in bags of 100 or 1000 in a variety of calibers. For really heavy duty cleaning jobs, you need a Really Heavy Duty Patch. SPECS: Extra Heavy Duty Flannel Glove Cotton. 100 & 1000 Packs

# Safety Instruction Guide for REALLY HEAVY DUTY SQUARE 100% COTTON PATCHES

## Introduction

Thank you for choosing the REALLY HEAVY DUTY SQUARE 100% COTTON PATCHES. These patches are designed for effective cleaning of firearms, ensuring you maintain their performance and longevity. This guide provides essential safety instructions to ensure safe and effective use of the product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure safe use of the product by following all instructions.
- Always inspect patches for damage before use. Do not use if damaged.
- Keep patches out of reach of children to prevent choking hazards.
- Dispose of used patches responsibly to avoid environmental harm.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay updated on recall notices via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use patches only for their intended purpose: cleaning firearms.
- Avoid using excessive force when scrubbing to prevent damage to the firearm or patch.
- Do not use patches that have been exposed to chemicals or solvents not intended for cleaning firearms.
- Ensure the area is wellventilated when using patches with cleaning solvents.
- Wear protective gloves if you have sensitive skin or are using chemicals.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that your firearm is unloaded and pointed in a safe direction.
- Gather all necessary cleaning supplies, including the patches, cleaning solvent, and tools.

### 2. Using the Patches:

- Cut the patch strip to the desired length (7/8" x 6").
- Attach the patch to a cleaning rod or loopstyle tip.
- Apply a suitable cleaning solvent to the patch if required.
- Insert the patch into the bore and gently scrub in a backandforth motion.
- Avoid excessive pressure that may damage the firearm.

### 3. PostCleaning:

- After cleaning, inspect the patches for any residue or damage.
- Dispose of used patches according to local regulations.

## Disposal Instructions

- Used patches should be disposed of in accordance with local waste disposal regulations.
- Do not incinerate patches or dispose of them in water bodies.
- Consider recycling options where available.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the use of the REALLY HEAVY DUTY SQUARE 100% COTTON PATCHES, please refer to the contact information provided on the packaging or your retailer.

By following these safety instructions, you can ensure a safe and effective cleaning experience with your REALLY HEAVY DUTY SQUARE 100% COTTON PATCHES. Thank you for prioritizing safety and compliance.
