

SPECIAL LINE"! BRASS CORE SHOTGUN BORE BRUSHES - BROWNELLS SPECIAL LINE BRUSH, BRASS, 10 GAUGE SHOTGUN, 3 PACK

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Brushes](#)

Hard-Scrubbing Bronze Bristles; Brass Shank & Coupling Won't Scratch Bores

If you or your customer has one of those guns that drives tacks or knocks down birds every time, the slight extra cost of our Special Line brushes is well worth it to eliminate any chance of the cleaning brush's shank putting a scratch in that all-important barrel. The Brass shank is one-piece, looped and wound, (not two, twisted together and chopped off). The coupling is no-scratch Brass. The bristles are the best, phosphor, bronze scrubbing wire for long life and thorough cleaning. SPECS: Bristles: Phosphor bronze. Overall Length: 2-7/8' (7.3cm) Threads: 5/16-27 male

Safety Instruction Guide for SPECIAL LINE Brass Core Shotgun Bore Brushes

Introduction

Thank you for choosing the SPECIAL LINE Brass Core Shotgun Bore Brushes from BROWNELLS. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read this guide thoroughly before using the bore brushes.

General Safety Guidelines

- Follow all manufacturer instructions for use and maintenance.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the bore brushes before each use for any signs of damage or wear.
- Do not use the brushes for any purpose other than intended cleaning of shotgun barrels.
- Ensure that the firearm is unloaded and pointed in a safe direction before using the bore brushes.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- **Potential Hazards:**
 - Risk of injury from improper use of cleaning tools.
 - Potential for scratches or damage to the firearm barrel if brushes are used incorrectly.
- **Avoiding Hazards:**
 - Always use the correct size brush for your firearm caliber.
 - Do not force the brush into the barrel; use a gentle, steady motion.
 - Ensure that the cleaning rod is securely attached to the brush before use.
 - Wear protective eyewear when using cleaning chemicals or solvents.
- **Age Specific Warnings:**
 - This product is not suitable for individuals under the age of 18 without adult supervision.
 - Ensure that children are not present during the cleaning process.

Instructions for Installation and Usage

- **Installation:**
 1. Select the appropriate bore brush for your shotgun caliber (10 Gauge).
 2. Attach the brush to a compatible cleaning rod with a 5/1627 male thread.
 3. Ensure the connection is secure before use.
- **Usage:**
 1. Ensure the firearm is unloaded and pointed in a safe direction.
 2. Insert the brush gently into the barrel.
 3. Move the brush back and forth in a smooth motion, applying light pressure.
 4. Remove the brush from the barrel once cleaning is complete.
 5. Clean the brush after use and store it in a safe place.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the bore brushes in regular household waste if they are damaged or worn.
- Check with local waste management facilities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the use of the SPECIAL LINE Brass Core Shotgun Bore Brushes, please refer to the manufacturer's website or contact the retailer from which you purchased the product.

Thank you for your attention to these safety guidelines. Enjoy using your SPECIAL LINE Brass Core Shotgun Bore Brushes responsibly and safely.
