

SPECIAL LINE"! BRASS CORE SHOTGUN BORE BRUSHES - BROWNELLS 20 GAUGE SPECIAL LINE BRASS SHOTGUN BRUSH 12/PACK

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Brushes](#)

Hard-Scrubbing Bronze Bristles; Brass Shank & Coupling Won't Scratch Bores

If you or your customer has one of those guns that drives tacks or knocks down birds every time, the slight extra cost of our Special Line brushes is well worth it to eliminate any chance of the cleaning brush's shank putting a scratch in that all-important barrel. The Brass shank is one-piece, looped and wound, (not two, twisted together and chopped off). The coupling is no-scratch Brass. The bristles are the best, phosphor, bronze scrubbing wire for long life and thorough cleaning. SPECS: Bristles: Phosphor bronze. Overall Length: 2-7/8' (7.3cm) Threads: 5/16-27 male

Safety Instruction Guide for SPECIAL LINE BRASS CORE SHOTGUN BORE BRUSHES

Introduction

Thank you for choosing the SPECIAL LINE BRASS CORE SHOTGUN BORE BRUSHES by BROWNELLS. This guide provides essential safety instructions and guidelines to ensure the safe use of this product. Please read this document carefully before using the bore brushes.

General Safety Guidelines

- Always use the bore brushes according to the manufacturer's instructions to avoid accidents.
- Keep the bore brushes out of reach of children and vulnerable individuals.
- Inspect the bore brushes before each use. Do not use if damaged or worn.
- Store the bore brushes in a dry and safe location to prevent accidents.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before using the bore brush.
- Use the appropriate bore brush for your specific shotgun gauge (20 Gauge).
- Avoid excessive force when cleaning to prevent damage to the barrel.
- Do not use the bore brush on hot or heavily fouled barrels.
- Wear safety goggles to protect your eyes from potential debris during cleaning.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is completely unloaded and pointed in a safe direction.
- Gather all necessary cleaning supplies, including the bore brush.

2. Installation:

- Attach the bore brush to a cleaning rod that is compatible with the 5/1627 thread.
- Ensure the connection is secure before proceeding.

3. Usage:

- Insert the bore brush into the barrel from the chamber end.
- Gently push the brush through the barrel and pull it back out without twisting.
- Repeat this process as necessary to achieve a clean barrel.
- After use, clean the bore brush with a suitable solvent and allow it to dry.

4. PostCleaning:

- Inspect the bore brush for any signs of wear or damage.
- Store the bore brush in a safe place, away from children.

Disposal Instructions

- Dispose of any damaged or worn bore brushes in accordance with local waste disposal regulations.
- Do not dispose of the bore brushes in regular household waste if they are hazardous or contain materials that require special handling.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the SPECIAL LINE BRASS CORE SHOTGUN BORE BRUSHES, please refer to the manufacturer's contact information provided with the product.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities. Enjoy using your bore brushes responsibly!
