

SPECIAL LINE"! BRASS CORE SHOTGUN BORE BRUSHES - BROWNELLS 410 GAUGE SPECIAL LINE BRASS SHOTGUN BRUSH 3/PACK

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Brushes](#)

Hard-Scrubbing Bronze Bristles; Brass Shank & Coupling Won't Scratch Bores

If you or your customer has one of those guns that drives tacks or knocks down birds every time, the slight extra cost of our Special Line brushes is well worth it to eliminate any chance of the cleaning brush's shank putting a scratch in that all-important barrel. The Brass shank is one-piece, looped and wound, (not two, twisted together and chopped off). The coupling is no-scratch Brass. The bristles are the best, phosphor, bronze scrubbing wire for long life and thorough cleaning. SPECS: Bristles: Phosphor bronze. Overall Length: 2-7/8' (7.3cm) Threads: 5/16-27 male

Safety Instructions for SPECIAL LINE Brass Core Shotgun Bore Brushes

Introduction

Thank you for choosing the SPECIAL LINE Brass Core Shotgun Bore Brushes by BROWNELLS. This guide provides essential safety instructions to ensure safe and effective use of the product. Please read this guide carefully before using the bore brushes.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the brushes out of reach of children and vulnerable individuals.
- Always inspect the brushes before use for any signs of damage or wear.
- Use the brushes in a wellventilated area to avoid inhalation of debris.
- Follow all local laws and regulations regarding firearm cleaning and maintenance.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - The brass shank can cause scratches if not handled properly.
 - The bristles are made of phosphor bronze, which can break off if excessive force is applied.
- **Avoiding Hazards:**
 - Always handle the brush with care to prevent scratches on the firearm barrel.
 - Do not use the brush with excessive force; apply gentle pressure when cleaning.
 - Ensure that the firearm is unloaded before using the brush.
- **AgeSpecific Warnings:**
 - This product is not intended for use by children. Adult supervision is required if used in the presence of minors.

Instructions for Installation and Usage

- **Installation:**
 1. Ensure that the firearm is completely unloaded and pointed in a safe direction.
 2. Select the appropriate bore brush based on the caliber of your firearm.
 3. Attach the bore brush to a compatible cleaning rod with the correct threading.
- **Usage:**
 1. Insert the bore brush into the barrel of the firearm.
 2. Gently rotate the brush while pushing it through the barrel to clean.
 3. Pull the brush back out of the barrel carefully.
 4. Repeat the process as necessary until the desired cleanliness is achieved.
 5. Clean the bore brush after use and store it in a safe place.

Disposal Instructions

- Dispose of the bore brushes in accordance with local regulations.
- Do not dispose of the brushes in regular household waste if they are damaged or contaminated.
- Check with local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the use of the SPECIAL LINE Brass Core Shotgun Bore Brushes, please refer to your local dealer or manufacturer for assistance.

By following these safety instructions, you can ensure a safe and effective cleaning experience for your firearm.
Thank you for your attention to these important guidelines.
