

SPECIAL LINE!!! BRASS CORE SHOTGUN BORE BRUSHES - SPECIAL LINE BRUSH, BRASS, .410 BORE SHOTGUN, 12 PACK

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Brushes](#)

Hard-Scrubbing Bronze Bristles; Brass Shank & Coupling Won't Scratch Bores

If you or your customer has one of those guns that drives tacks or knocks down birds every time, the slight extra cost of our Special Line brushes is well worth it to eliminate any chance of the cleaning brush's shank putting a scratch in that all-important barrel. The Brass shank is one-piece, looped and wound, (not two, twisted together and chopped off). The coupling is no-scratch Brass. The bristles are the best, phosphor, bronze scrubbing wire for long life and thorough cleaning. SPECS: Bristles: Phosphor bronze. Overall Length: 2-7/8' (7.3cm) Threads: 5/16-27 male

Safety Instruction Guide for SPECIAL LINE BRASS CORE SHOTGUN BORE BRUSHES

Introduction

Thank you for choosing the SPECIAL LINE BRASS CORE SHOTGUN BORE BRUSHES. This guide provides essential safety instructions and guidelines to ensure the safe use of this product. Please read this document carefully before using the brushes.

General Safety Guidelines

- Always use the brushes as intended and in accordance with the manufacturer's instructions.
- Ensure that you are familiar with the handling and cleaning of firearms before using this product.
- Keep the brushes out of reach of children and vulnerable individuals to prevent accidents.
- Inspect the brushes before each use for any signs of wear or damage. Do not use damaged brushes.
- Store the brushes in a safe, dry place when not in use.

Specific Safety Precautions for Use

- Use protective eyewear when cleaning firearms to shield your eyes from debris.
- Ensure that the firearm is unloaded and pointed in a safe direction before using the brush.
- Avoid using excessive force when cleaning to prevent damage to the firearm or the brush.
- Do not mix different types of cleaning solutions or solvents as this may create hazardous reactions.
- Dispose of any cleaning materials, such as cloths or solvents, according to local regulations.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and in a safe condition.
- Gather all necessary cleaning supplies, including the bore brush, cleaning rod, and cleaning solvent.

2. Installation:

- Attach the bore brush to the cleaning rod by screwing it onto the end of the rod.
- Ensure it is securely fastened to prevent it from detaching during use.

3. Usage:

- Apply a suitable cleaning solvent to the bore brush.
- Insert the brush into the barrel of the shotgun, ensuring it is fully inserted.
- Move the brush back and forth gently to clean the interior of the barrel. Avoid excessive force.
- After cleaning, remove the brush and clean the barrel with a dry patch to remove any residue.
- Repeat the process as necessary until the barrel is clean.

4. PostUsage:

- Clean the bore brush with warm water and a mild detergent if necessary.
- Allow the brush to dry completely before storage.
- Store the brush in a safe location, away from children and unauthorized users.

Disposal Instructions

- Dispose of the bore brushes in accordance with local waste management regulations.
- Do not dispose of the brushes in regular household waste if they are contaminated with cleaning solvents or chemicals.
- Check with local authorities for specific disposal guidelines for hazardous materials.

Contact Information for Further Support

For any questions or concerns regarding the use or safety of the SPECIAL LINE BRASS CORE SHOTGUN BORE BRUSHES, please refer to the manufacturer's contact information provided on the packaging or product documentation.

Conclusion

By following these safety instructions, you can ensure the safe and effective use of the SPECIAL LINE BRASS CORE SHOTGUN BORE BRUSHES. Always prioritize safety and proper handling when using firearm cleaning products. Thank you for your attention to these important guidelines.
