

# STANDARD LINE NYLON HANDGUN BORE BRUSHES - BROWNEULLS STANDARD LINE BRUSH, NYLON, .50 CALIBER PISTOL, 12 PACK

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Brushes](#)

Since darn near as many bore brushes get used in the shop as get sold, we've packed these custom-made, top quality brushes in bulk paks to make them more convenient and less expensive. The shank is one-piece, looped and wound (not two, twisted together and chopped off). Nylon Bore Brush - New generation bore cleaners attack copper and bronze-based bullet jacket fouling aggressively and are just as hard on bronze cleaning brushes. Our nylon brushes stand up to these super cleaners and won't cause accuracy-ruining scratches. One-piece, looped and wound steel shanks (except Black Powder (BP) series, .17 caliber, and .20 caliber, which have brass shanks). SPECS: Bristles: Available in nylon. Shank: Steel, looped and wound. Overall Length: 2-1/8 (5.4cm) Thread: 17 caliber 5-40 thread, all others 8-32 thread

# Safety Instruction Guide for STANDARD LINE NYLON HANDGUN BORE BRUSHES

## Introduction

Thank you for choosing the STANDARD LINE NYLON HANDGUN BORE BRUSHES from BROWNELLS. This guide provides essential safety information and instructions to help you use this product safely and effectively. Please read this guide carefully before use to ensure your safety and the proper functioning of the bore brushes.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in the product specifications.
- Always keep the bore brushes out of reach of children and vulnerable individuals to prevent accidental injury.
- Before use, inspect the bore brushes for any damage or defects. Do not use if damaged.
- Follow local regulations regarding the disposal of hazardous materials and cleaning supplies.
- Report any unsafe product experiences or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Wear protective eyewear when using the bore brushes to prevent injury from debris or cleaning solutions.
- Avoid using excessive force when cleaning to prevent damage to the bore and the brush.
- Do not use the brushes with harsh chemicals or solvents that are not recommended for use with nylon materials.
- Ensure proper ventilation in the area where the bore brushes are used to avoid inhaling harmful fumes from cleaning agents.
- Store the bore brushes in a dry place away from moisture to prevent deterioration.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary cleaning supplies, including the nylon bore brush, cleaning rod, and any cleaning solvents or oils you intend to use.
- Ensure that the firearm is unloaded and safe before beginning any cleaning process.

### 2. Attaching the Bore Brush:

- Select the appropriate bore brush for your firearm caliber.
- Attach the brush to the cleaning rod by screwing it onto the rod's threaded end. Ensure it is securely fastened.

### 3. Using the Bore Brush:

- Insert the bore brush into the chamber of the firearm.
- Gently push the brush through the bore from the chamber to the muzzle, using a smooth and steady motion.
- Pull the brush back through the bore to remove any fouling or debris. Repeat this process as necessary until the bore is clean.

### 4. Cleaning and Maintenance:

- After use, clean the bore brush with warm water and mild soap if necessary. Rinse thoroughly and

- dry completely before storage.
- Store the bore brush in a protective case or container to prevent damage.

## Disposal Instructions

- Dispose of the bore brushes in accordance with local regulations. If the brushes are worn out or damaged, do not throw them in regular waste. Instead, check for local recycling programs or hazardous waste disposal options.
- Ensure that any cleaning solvents used with the brushes are disposed of according to the manufacturer's instructions and local environmental regulations.

## Contact Information for Further Support

For any questions or concerns regarding the use of the STANDARD LINE NYLON HANDGUN BORE BRUSHES, please refer to the manufacturer's contact information available on the packaging or product label.

By following these safety guidelines and instructions, you can ensure a safe and effective cleaning experience with your STANDARD LINE NYLON HANDGUN BORE BRUSHES. Thank you for your attention to safety!
