Safety Instruction Guide for HEAVY WEIGHT NYLON CENTERFIRE RIFLE BORE BRUSH

Introduction

Thank you for choosing the HEAVY WEIGHT NYLON CENTERFIRE RIFLE BORE BRUSH. This product is designed to effectively clean your rifle's bore without damaging the rifling or smoothbore surfaces. To ensure safe and effective use, please read and follow these safety guidelines carefully.

General Safety Guidelines

- Always use the bore brush in accordance with the manufacturer's instructions.
- Keep the bore brush out of reach of children and vulnerable individuals.
- Inspect the bore brush before each use for any signs of wear or damage.
- Do not use the bore brush for any purpose other than its intended use.
- If you experience any adverse reactions while using cleaning solvents, discontinue use immediately and seek medical advice.
- Always work in a wellventilated area when using cleaning solvents.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded and pointed in a safe direction before using the bore brush.
- Use protective eyewear to prevent any debris or solvent from entering your eyes.
- Avoid prolonged skin contact with cleaning solvents; wear gloves if necessary.
- Do not force the bore brush into the bore; let the bristles do the work.
- After use, clean the bore brush and store it in a safe, dry place.

Instructions for Installation and Usage

1. Preparation:

- Ensure that your firearm is unloaded and in a safe position.
- Gather your cleaning supplies, including the bore brush and your preferred cleaning solvent.

2. Attaching the Bore Brush:

- The HEAVY WEIGHT NYLON CENTERFIRE RIFLE BORE BRUSH features an 832 male thread.
- Attach the bore brush to a cleaning rod by screwing it onto the rod's threaded end until secure.

3. Cleaning Process:

- Apply a small amount of cleaning solvent to the bristles of the bore brush.
- Insert the bore brush into the firearm's bore gently.
- Move the brush back and forth through the bore to loosen and remove deposits.
- Repeat the process as necessary, ensuring to clean the brush between uses.

4. PostCleaning:

- After cleaning, remove the bore brush from the cleaning rod.
- Rinse the bore brush with clean water if needed and allow it to dry completely.
- Store the bore brush in a safe location away from children and pets.

Disposal Instructions

- Dispose of any used cleaning solvents in accordance with local regulations.
- Do not dispose of the bore brush in regular household waste if it is damaged; check local disposal guidelines for hazardous materials.

Contact Information for Further Support

For any inquiries regarding safety or product performance, please refer to the manufacturer's contact information provided with your product packaging.

Thank you for prioritizing safety while using the HEAVY WEIGHT NYLON CENTERFIRE RIFLE BORE BRUSH. Your attention to these guidelines helps ensure a safe and enjoyable cleaning experience.
