Safety Instruction Guide for ROUND 100% COTTON FLANNEL CLEANING PATCHES

Introduction

Thank you for choosing the ROUND 100% COTTON FLANNEL CLEANING PATCHES from Brownells. These highquality cleaning patches are designed for use with various calibers and provide an efficient cleaning solution for your firearms. This guide outlines essential safety instructions and best practices to ensure safe and effective use of the product.

General Safety Guidelines

- Always use the cleaning patches as intended and according to the product specifications.
- Keep cleaning patches out of reach of children and pets to prevent accidental ingestion or misuse.
- Inspect the patches before use. Do not use if damaged or compromised in any way.
- Ensure proper ventilation when using cleaning solvents or chemicals in conjunction with the patches.
- Dispose of used patches safely and responsibly to avoid environmental harm.

Specific Safety Precautions for Use

- **Avoid Eye Contact:** Do not allow cleaning solvents or debris from the patches to come into contact with your eyes. Wear safety goggles if necessary.
- **Fire Hazard:** Keep cleaning patches away from open flames or sources of ignition, as they can be flammable.
- **Chemical Exposure:** If using with solvents, ensure that the area is wellventilated and avoid prolonged skin contact with chemicals.
- **Age Restrictions:** These cleaning patches are not intended for use by children. Adult supervision is required when used around minors.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary materials, including your firearm, cleaning solvent, and the cleaning patches.
- Ensure your firearm is unloaded and pointed in a safe direction.

2. Cleaning Process:

- Take a cleaning patch from the resealable bag.
- If using a cleaning solvent, apply a small amount to the patch.
- Insert the patch into the appropriate caliber cleaning rod or jag.
- Insert the cleaning rod into the firearm's bore gently.
- Push the patch through the bore from the chamber to the muzzle, ensuring full coverage.
- Repeat as necessary until the patch comes out clean.

3. PostCleaning:

- Dispose of used cleaning patches in accordance with local regulations.
- Clean and store your firearm safely after use.

Disposal Instructions

- Used cleaning patches should be disposed of in accordance with local waste management regulations.
- Do not dispose of cleaning patches in regular household waste if they have been used with hazardous chemicals.
- Consider using designated disposal methods for flammable or contaminated materials.

Contact Information for Further Support

For any safety inquiries or additional support, please refer to the contact information provided on the product packaging or the manufacturer's official website.

By adhering to these safety instructions, you can ensure a safe and effective cleaning experience with your ROUND 100% COTTON FLANNEL CLEANING PATCHES. Thank you for your attention to safety.
